

NEW AND OLD fire houses of the Granite City downtown department. The move from the old building on 19th street (below) to the new, modern structure at 23rd street and Madison avenue (above) was started this morning.

Move To New Fire Station Underway Today

Today is "M Day" for the downtown crew of the Granite City fire department. After months of waiting, firemen are moving from 1411 Nineteenth street to 2300 Madison avenue.

Other than firefighting and office equipment, not much else is to be moved. During the council session, Chief Elijah King pointed out the second floor dormitory at the new station is being furnished with \$300 worth of new beds and bedding which the department purchased from its 2 1/2 insurance fund.

The chief said he is hopeful the transfer of operations from the old downtown building, which formerly was the city hall, will eventually bring about a lower fire insurance rate for the city's property owners.

"We have an all-new alarm system, and we hope soon, with the aid of a state instructor, to begin an intensive training program for the men," the chief said.

The move also is to signal a return to two-way vehicular traffic on 19th street and on State street from 18th street to Niedringhaus avenue, but arrangements for the switchback have not been completed by the council.

Chief King said a few minor jobs have yet to be done at the new building, but for all practical purposes, the move is complete.

Teachers Ask Higher Priority For Pay

4%-3% Raise Offer Is Called 'Insult'; Board Urges Talks With Sup't. Terminating a two-year contract offer ridiculously low and an "insult to the profession," the Granite City teachers' federation attended Tuesday night's school board meeting in force and asked that teacher salaries be given first priority in school financial planning.

Representatives of Local 743 made no counter proposal other than the original 1960-61 salary request, and when or if negotiations will start was not revealed. The board reiterated its policy that contract talks should be held with the superintendent and his staff.

The group attending the meeting and filling adjoining offices and an upstairs hall at the LeRoy Temple was estimated at 250 to 300 members of the local, members of the Trades and Labor Council and citizens by Guy Lehr Jr., president of the local, and Mrs. Helen Bjorkman, local 743 salary and policy committee chairman.

No Talks During Summer. Mrs. Bjorkman told the board that the teachers will not negotiate until the fall if no agreement is signed before the end of the present school term, June 10.

She and Lehr asked the board for "verification of figures" obtained by the federation committee, but Board President Homer Haber said the board felt that no direct discussions or negotiations with the board should take place.

Haber said the board is willing to hear statements from the group at any of its meetings, and said Sup't. Harold M. Kaiser is available at any time to confer with the committee or a larger group of teachers. The Local 743 spokesmen noted that they had secured financial data from Dr. Kaiser, and praised his cooperation.

Since no more board meetings are scheduled until June 14, four days after the deadline set by the federation, it appears that

Memorial Services, But No Parades In Area Next Monday. The Quad-Cities area will be without parades on Memorial Day next Monday, but special Memorial services are to be held Monday morning in all three local municipalities.

The first services will be held at 9 a.m. Memorial Day at the monument on the city hall lawn in Granite City by Ten 90 Daughters of Union Veterans of the Civil War.

Mayor Davis will give the welcome address, and a prayer will be given by Rev. Robert Baumann, pastor of St. Peter Evangelical & Reformed Church. There will be a song by Edward Ashley, and Acting Postmaster Harry Johnson of Madison will deliver an address.

All patriotic organizations in the area are being invited to participate, and the auxiliaries will place wreaths at the memorial stones, while the veterans' groups will post the colors.

The service will close with a prayer by Mrs. Minnie Rowley, chaplain for Ten 90, and Mrs. Helen Wardlow, commander of the auxiliary of VFW Post 1300 will lead the pledge to the flag.

Brief services will be conducted at two locations on Memorial Day by members of Venice-Madison American Legion Post 307.

SISTERS WHO BECAME MOTHERS 35 minutes apart Tuesday morning at St. Elizabeth Hospital, show their babies who weighed exactly the same. Left to right, Mrs. Duane Foss and her new son, and little black-haired infant daughter and Mrs. Elmer E. Lockhart Jr. The mother of the two sisters, Mrs. William Wise, also is expecting a baby early in June. (Story on page 5).

Tax Collector Gets Bills Back

Nameoki Township Tax Collector Harold Massa has a problem. Nearly 100 tax bills were returned to him by the post office because of errors in addresses, and the addresses used were the only ones available from the county, which records all property ownerships.

Mass explained the mix-up results from elimination of Granite City Rural Route Two. "The tax records still list that address, but the post office is unable to make the deliveries since the former rural carrier has retired and the new one doesn't know the locations."

The collector is appealing to the 100 property owners to pick up their tax bills at the collection point in the Granite City Trust & Savings Bank or telephone him with their correct addresses.

Mayor Vetoes Pay Boost Ordinance

Council Flares Back — Tables Mayor's Proposal To Change Liquor Law. Mayor Davis exercised his veto power Monday night, returning to the council an ordinance adopted last week granting a \$311 monthly salary increase of hourly rate to the sewer billing clerk and an increase from \$1.50 to \$1.71 1/2 for the hourly pay scale for part-time office workers.

In return, the council members engaged in a heated debate and tabled an amendment to the liquor control ordinance proposed by Mayor Davis that would lift the 1000-foot distance restriction between an existing tavern and any new liquor retail outlet. The amendment proposed a return to classification of liquor outlets, setting an annual license fee of \$400 for package stores; the council, read by City Clerk A. L. Stevens, pointed out the ordinance "completely overlooks a number of other office employees who were not granted raises during the last fiscal year."

"It is my opinion that if any raises are to be given, consideration should be given to all employees in any one class. It would be unfair and contrary to

Undergo Surgery. The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Malcolm Wallace, 1229 Edwardsville road; Jacques line Kronk, 1928 Joy avenue; Howard Wigger, 2027 Bryan avenue; Barbara Thebeau, 2616 Madison avenue; Otto Wickam, 2836 Denver street; Helen Nunnery, 719 Twenty-sixth place; Joe Anne Ellberg, 2122 Woodlawn avenue; William Sparks, 1425 Norwood drive; Robert Wilson, 2022 Park street; Leo Lindsey, 2801 Hedges avenue.

Truck Driver Fined \$115. Aaron Tennenbaum, St. Louis, arrested by a state license investigator Monday in Venice for driving an overweight truck and violating other sections of the law, was fined \$115 by Venice Police Magistrate Wesley Edwards Monday evening.

Park Pool Opens Saturday For Holiday Weekend

The Wilcox Park swimming pool will be open to the public over the Memorial Day weekend, weather permitting, then remain closed until the beginning of the regular swimming season on June 11, Park Sup't. O. H. Williams said today.

The pool will be open between the hours of 1 and 9 p.m. Saturday, Sunday and Monday, with regular season permits available at noon each day at the ticket window, Williams said.

Robert Miller, physical education instructor and basketball coach at Central grade school, has been employed by the park board as pool and concession manager for 1960 at a salary of \$300 per month. Miller replaces Paul Kratz, who held a similar position for the past six years.

Williams said filling of the pool is progressing on schedule. No major repairs were necessary this spring, although some additional caulking of seams was completed this week. Last year the pool opening was delayed for necessary major repairs to water lines.

Admission prices for both the special Memorial Day period and the regular season will be 25 cents for children, 50 cents for adults, the same as last season. Season tickets are priced at \$5 for children, \$8 for adults.

In connection with the June 11 opening, the park district will stage a fashion show at the pool the evening of June 5. Swimming attire and accessories for six local fashion shops and department stores will be modeled by members of Tri-Mex girls clubs from the YMCA, with Miss Pat Mega, dance director, in charge. A dance at the pool pavilion will be held following the fashion show.

3 Grades To Fill 2 Junior Highs; Use Central. Coolidge Junior high and the new West 25th street junior high school will be filled to capacity in September, and about 328 seventh grade students will be assigned to Central Junior high, the Granite City school board decided Tuesday night in approving recommendations by Sup't. Harold M. Kaiser. Both Coolidge and West 25th will have seventh, eighth and ninth grades.

Continued operation of the Central building will be necessary because the estimated junior high enrollment of 2500 exceeds the combined Coolidge, West 26th capacity of 1006 and their "adjusted" or absolute maximum capacity of 2219.

While an effort will be made to fill the Central enrollment as much as possible, it will be a "far better" place to attend school next fall than at present, Dr. Kaiser emphasized.

Lowering of the enrollment to 338 from the present 825 will do much to improve conditions at Central, the superintendent said, commenting that "in terms of number of children, Central will be in a better position than either of the newer junior highs.

The curricular offerings will be essentially the same at Central school next fall than at present, he said.

Textbooks, Lockers. "Each child at Central will have a textbook in each of the basic areas. This has not been the case in past years. Last year, the entire interior of the school was painted, obsolete restroom facilities were replaced, the heating plant was repaired and wiring was replaced on power cables, the main panel, feeder lines and distribution panels.

"This summer, lockers will be installed at Central school, a ventilating fan will be installed, 12 drinking fountain bubblers will be replaced, continued repair on the heating system will be made, the yard will be graded and the area along the 21st

Driver Faints, Auto Jumps Curb - - Kills Woman

Mrs. Barbara Edrington Struck While Walking At Fourth And Madison. Walking home from work along the sidewalk of Madison avenue near Fourth street, Madison, Mrs. Barbara Edrington, 55, was killed at 4:55 p.m. Monday by a runaway auto that jumped the curb and skidded along a brick building before striking her.

Mrs. Edrington, who resided at 1423 Fifth street, was thrown on top of the car and then onto the concrete street.

She suffered a skull fracture and was pronounced dead upon arrival after being rushed by ambulance to St. Elizabeth Hospital.

Driver "Blacks Out." Witnesses said the driver apparently lost consciousness and slumped away from the wheel of the auto as it moved northward in the 300 block of Madison avenue. Contact with the accelerator apparently was maintained, because the car appeared to increase in speed as it edged to the right and then bounced across the curbing and against the Lewis tavern building.

The "murder" Mrs. Robert (Ruth Elaine) Barr, 25, of 2537 Pontoon road, suffered a possible brain concussion in the crash and was admitted to St. Elizabeth Hospital for treatment.

Mrs. Edrington, mother-in-law of Mike Sasyk, president of the Madison Board of Police Commissioners, was walking toward her home after having completed her work as a clerk at the Madison-Venice Hardware store, which is operated by Sasyk.

Unaware of Danger. Madison police said the auto approached without warning and that the pedestrian had no way of knowing of the danger, since she also was going northward. Usually there are several parked cars along the curb, and even one parked car would have deflected the path of the Barr auto, officers noted. However, the parking lane was empty. Police traced tire marks on the auto 152 feet, curving from the traffic lane onto the sidewalk.

Born in Bonne Terre, Mo., Mrs. Edrington had been a Madison resident 50 years. She was working at the hardware store two years ago. She was a member of St. Mary's Catholic Church and St. Ann's Society. Her husband, Harold Edrington, died in 1940.

She is survived by four daughters, Mrs. Mike (Winifred) Sasyk of Madison, Mrs. Charles (Barbara Lee) Carney of East St. Louis, Mrs. Thomas (Patricia) Binkley of St. Louis and Mrs. Edward (Loretta) Rakowski Jr. of East St. Louis; a sister, Mrs. Adolph (Veronica) Clyde of Granite City; a husband, Mr. Alice Chanda of

## Thomason Girl, 6, Succumbs 12 Days After Fire

A tragic accident occurring May 12 resulting in the death at 6 a.m. Tuesday of Peggy Joyce Thomason, six years old, who was burned over 90% of her body. The burns were suffered at the apartment of her parents, Mr. and Mrs. William Ernest Thomason, 71 Grenzer Homes, Madison.

Transferred on the night of the fire from St. Elizabeth Hospital to Cardinal Glennon Memorial Hospital, St. Louis, she passed away at the St. Louis hospital despite intensive efforts to save her life. Her legs were burned to the extent that it was doubtful whether she could have walked again, and her lungs also were affected by the fire.

Known to her friends as "Peggy," the Harris school first grade pupil had been left alone in the apartment momentary and had climbed onto the kitchen stove in an apparent effort to reach cookies in a jar on a shelf over the stove.

It is believed that she used a handle on the oven door as a step, and was on the way down when one of her bare feet caught a burner knob. She was kneeling on the stove, and the burner was ignited by the pilot light when her foot turned the knob. Her clothing was set ablaze.

The girl was born in Granite City. Besides her parents, she is survived by a brother, Billy Joe, and three sisters, Nancy Jane, Debra Lynn and Frances Marie Thomason, all residents at home; Grandparents, Mr. and Mrs. Russ, Mr. and Mrs. Joseph Anderson of Price, Ill.; and great-grandparents, Mrs. Ethel Hoffman of Venice and Mrs. Lily Alred of Price, Ill.

Funeral arrangements are given in the obituary column.

## Mayors Postpone Action On SIU Offer Of Aid

Action on the acceptance of the use of Southern Illinois University facilities and personnel as a secretariat to the Southwestern Illinois Council of Mayors was deferred for the second time during a meeting of the mayors' council last night at the officers club, Scott Air Force Base.

Granite City Mayor Leonard Davis, chairman of the council, said several objections to the plan were raised and it was suggested that SIU officials meet individually with council members to discuss the objections.

The plan, as submitted by the university, would make SIU personnel available to the council of mayors. Council agendas would be planned, minutes taken and any executive committee problems could be taken to persons on the SIU staff qualified in the area in question for research and solution, all at no cost.

Mayor Davis pointed out that SIU has offered to bear the cost of such a program, which he estimated would be in the neighborhood of \$10,000.

SIU has also offered to establish a permanent council meeting room in East St. Louis and provide a full-time secretary.

"Without this help from the university I don't think our organization will be efficient at this stage," Mayor Davis said. "If we're going to be strictly a social group, and we're in the early stages of our development, then we've lost our punch," he continued.

Mayor Davis said he felt that the objections by some members of the mayors council could be worked out and overcome in meetings between council members and SIU staff members. The council will meet once in June before adjourning for three months.

The question of development of a bi-county airport was discussed briefly. It was pointed out that reports from a joint meeting of the Madison and St. Clair county boards of supervisors on airport development are to be furnished to the mayors' council, and that a supervisory council meeting would be the next step.

Ralph Bartelsmeyer, highway engineer, addressed the council on the problems of highway financing and construction.

## C. of C. Expects To Meet New Membership Goal

The Tri-City Chamber of Commerce drive for 100 new memberships, scheduled to end at 5 p.m. today, should result in the reaching or even surpassing of that number, Campaign Chairman John Sedlack said today.

The C. of C. office had no figures available concerning the progress of the drive, but committee members were still running in new memberships at that time.

Contests between drive teams and individuals are being conducted in conjunction with the search for new memberships, with the winners to receive special prizes.

Final reports from a special committee on new memberships from out-of-town firms and those with no local management are expected at a later date. Final local figures will be tabulated tomorrow.

## SHOWER PARTIES FOR BRIDE-ELECT

Miss Judith Ann Stutz, fiancée of Edward Theis, who has been a guest at the home of Dr. and Mrs. Theis, since Tuesday, was guest of honor Wednesday at two parties.

In the afternoon, Mrs. Theis gave a luncheon and miscellaneous shower for her prospective daughter-in-law at the Grand Cafe. Luncheon was served to 20 guests at tables decorated with pink gladioli and there were pink carnation corsages for the guests.

Last night, Mrs. John Hogan, 2321 Clark avenue, entertained 47 guests at a personal shower for Miss Stutz. Pink and blue were the colors in the appointments and gifts were placed on a table above which was suspended an umbrella and a shower of pink and white streamers.

The wedding of Mr. Theis and Miss Stutz will take place June 15 in Wisconsin, the home of the bride. She is a student nurse in a Chicago hospital.

**LEGION AUXILIARY BEGINS CAMPAIGN**  
American Legion Auxiliary 113 met Tuesday evening with Mrs. Ella McKittrick, president, in charge.

Final plans were made for the membership drive which begins today and will continue through June 15. There was also a report of the recent "poppy sale" given by Mrs. Carmen Toth and members of her committee. The Auxiliary will lace a wreath Memorial Day at the services to be held on the city hall lawn. Mrs. Winifred Costello is serving as Memorial Day chairman.

## Miss Champion New Queen Of Job's Daughters

Job's Daughters Bethel 43 met in regular session Tuesday evening and elected officers for the coming term.

They are Betty Champion, honored queen; Carmen Toth, senior princess; Mary Alice Christian, junior princess; Lana Rider, guide; and Sondra Johnson, marshal. The appointive officers will be announced later.

Term reports were given at the meeting and there were reports of the recent state meeting in Springfield given by the girls who attended.

Following the business session there were remarks by Mrs. Lida Theis, grand guardian, Mrs. Nell Baskette, grand chaplain and guardian of Bethel 43, and Dr. E. H. Theis, associate guardian.

After adjourning, a party was held in honor of Miss Kathryn Merz, the outgoing honored queen. Refreshments were served by the Mothers Club to approximately 85 members and guests and plans were made for a school of instruction June 4.

Hostesses at the meeting were Mrs. Bernice Spach and Mrs. Dolores Craycraft, and prizes in the games went to Mrs. Toth, Mrs. Helen Qualls, Mrs. McKittrick, Mrs. Cecelia Maiottki and Mrs. Nora Carver.

## MORE ABOUT 3 Grades To Fill

street and Delmar avenue sides will be blacktopped.

Attendance zones will follow present grade school boundaries, the board decided.

Grade school zones assigned to Coolidge for the entire seventh, eighth and ninth grades program are Erhardt, Maryville road, Nameoki, Niedringhaus and Stallings.

Assigned to West 25th for all three years are Logan, Mitchell and Washington.

**Central Assignments**  
Seventh graders at Central will be from East 23rd, Emerson and McKinley, and from Marshall, Webster and Wilson avenue. For eighth and ninth grades, the East 23rd, Emerson and McKinley groups are assigned to West 25th and the Marshall, Webster and Wilson avenue areas are assigned to Coolidge.

Supt. Kaiser estimated that Coolidge, with an additional capacity of 1375, will have an enrollment of 1397, including 350 seventh graders, 826 eighth and 818 ninth graders.

The West 25th school, being opened for the first time, will have 200 seventh, 319 eighth and 282 ninth grade pupils, while Central will have 313 seventh graders and 15 in a special education class.

## MORE ABOUT Memorial Services

the general program chairman, Fred Honerkamp said.

Memorial services will be held at the Madison recreation center on Seventh street at 11 a.m. Monday, with Honerkamp offering a memorial prayer and an 18-man firing squad under the command of John Gonterman firing three volleys in honor of the war dead.

Post 307 participants will then present a similar memorial service on the lawn at post headquarters on Boardway in Venice.

## Girl Scout Camp Fund Donations At \$14,500

The \$30,000 drive for funds to improve the Girl Scout campsite near Glen Carbon neared the halfway mark today, with a total of \$14,500 in donations and pledges reported by Chairman Alex Schenboller.

The drive is scheduled to be completed next Tuesday. Schenboller said no plans had been made to extend the deadline, but that such action may be taken by the council.

Reports from chairmen of the retail stores, union organizations and financial institutions, not yet received, are expected to add considerably to the present total, the drive chairman said.

The donations will be used to complete a winter lodge at Camp Lakota and make other improvements to a pump house and camping grounds.

## GC Democratic Club Names Calvo

Attorney Horace Calvo was elected president of the Granite City Democratic club last night as it named the initial regular officers for the year beginning June 1. He was named president when provisional officers were chosen as the club was being formed last fall, but stepped down during his unsuccessful race for city judge.

Others chosen last night were Bill Williams, first vice-president; Street Supt. William Warfield, as second vice-president; Thomas Sullivan, treasurer; Mrs. Geraldine Johnston, corresponding secretary; Mrs. Helen Homan, recording secretary; and members: Mrs. Virginia Cox, Assessor; Von Dee Cusack, Harold Hillner, John Lakin, William Lee, Robert McCormick, Pat Rich and Arthur Wieser.

Filed on Nike anti-aircraft missiles was shown, and a committee was named to study the feasibility of joining with the Granite City central committee and Madison County Young Democrats in sponsoring a banquet at the July 4 festival in Wilson Park.

## Move To New Fire Station

tical purposes it is ready for occupancy.

During Monday night's council session a proposal was made to stall the move for another two weeks to permit a series of open house inspections at the new building.

However, Chief King urged the council to let the downtown fire department move in and after the men are settled, then open the building to the public. Chief King said Mayor Davis will announce the dates for the open house course. "We want everybody to see this new building," the chief added.

## Charges Against Brothers Are Dismissed

Charges filed against two brothers last Jan. 10 by Granite City police were dismissed because of insufficient evidence, it was learned today from Police Magistrate Gasparovic who said he conducted the trials last week.

The brothers, Charles L. Sherman, 32, of 3349 Palm street, and Wilton Sherman, 21, of 708 Twenty-sixth street, had been arrested on charges of driving while under the influence of liquor. Gasparovic said his recommendation for dismissal was made by the city attorney.

## Two Sisters Become Mothers Within 35 Minutes Tuesday

Two sisters, Mrs. Duane Posa, 22, and Mrs. Elmer E. Lockhart, Jr., 24, who became mothers within 35 minutes Tuesday morning, said they would not be surprised if their mother, Mrs. William Wise, 46, joins them in the maternity department at St. Elizabeth Hospital.

Mrs. Wise, wife of a post office carrier and mother of nine children, also is expecting a baby, but not until early June. However, the two sisters, who are in a four-bed ward, took note yesterday there is one vacant bed in the ward and said they haven't given up hope.

Mrs. Posa, whose maiden name was Myra Wilkinson, is the wife of a chef at the Rose Bowl restaurant, and was the first to arrive at the hospital at 9:20 a.m. Tuesday. Mrs. Lockhart, whose maiden name was Ruth Ellen Wilkinson, is the wife of a crane operator at Granite City Steel Co. She entered the hospital at 8:50 a.m.

The Posa baby, a boy, arrived at 10:05 a.m., weighing eight pounds and five ounces, and the Lockhart's new arrival, a girl, was born at 10:40 a.m., also weighing eight pounds and five

ounces. Names have not yet been selected for the new arrivals.

The Posas, who live on Main street in Glen Carbon have four other children — Angela Jo, 4, Diana Christine, 3, Dan Christopher, 2, and Cindy Jean, one-year-old.

The Lockharts, who live at 4837 Willow lane, have three other youngsters, Deborah Ann, 7, Dale, 5, and Donna, 3.

The Wises reside at 2215 Washington avenue.

### Prowler Call Proves To Be False Alarm

A prowler call answered at 1:50 a.m. Wednesday by Granite City police who were summoned to the 2700 block of Harding avenue proved to be a false alarm.

Upon arriving at the house, police were told the noise, believed to have been caused by a prowler, was merely a defective window shade that had sprung loose and wound itself around the pulley.

PROCLAIMING OF PBX OPERATORS WEEK by Mayor Leonard R. Davis, acting for the city of Granite City and Mayor Stephen Maeras of Madison and Dr. John E. Lee, mayor of Venice. Mayor Davis is shown presenting the signed proclamation to Mrs. Gwen Coss, switchboard operator of General Steel Castings Corp. and president of the Tri-City PBX Club. The week is to be observed starting June 6.

## Community Coach Gets ICC Ok For Two Route Changes

Community Coach Co. was authorized Monday to proceed with its proposed new routing of McKinley Bridge buses on Benton street to 27th street, east on 27th street to State street and south into the business district.

The new routing, which also switches the East Granite-Edwards street route on to 26th street off Madison avenue in east of 27th street, actually was started Monday even though the Illinois Commerce Commission decided otherwise last Friday, because of objections filed by some Granite Cityans.

It had been announced Sunday by the company that the new routing would be cancelled pending a hearing before the ICC, but permission was granted on Monday for the new routing to be carried out for a 30-day period on a temporary permit until a hearing can determine the outcome.

Under the new arrangement the McKinley Bridge buses cover the 27th street area formerly served by the East Granite bus. The Bridge buses proceed north on Benton street beyond 23rd street to 27th street, then east on 27th street to State street and south on State street picking up the old route again at 23rd street.

The East Granite bus on its return to the downtown district turns right off Madison avenue at 26th street instead of 27th street and proceeds west to Delmar avenue and then south.

The city asked for the change of the East Granite bus off 27th street because of the traffic signal installation and the added cost of widening a block of 27th street if the bus continued to use the street after the lights are completed.

A date has not been set for the hearing before the ICC to make the route changes permanent.

# River Dam Contract Signed, Work To Start In 5 Weeks

A contract was signed this week between the U. S. Army Engineer District, St. Louis, and the Massman Construction Co. and Frazier-Davis Construction Co. for the new low water dam to be built just south of the Chain of Rocks highway bridge. Signing of this contract was performed in the office of the district engineer, Col. Charles B. Schweitzer. Bids for the job were opened on May 12, and the low bid was \$2,845,043. The structure will be rock-filled dam and will be unusual in its construction because it will be placed without a coffer dam or any other means of diversion of water during the construction period.

Witnessing the signing of the contract was Mr. Ralph Booklen of R. W. Booker and Associates Engineering Firm, who designed the dam; Capt. B. O. Caplan, representative of Federal Barge Line Co., and Everett T. Winter, executive vice-president of the Mississippi Valley Association. The construction period is 320 days and William H. O'Donley, local representative of the Massman Co., said, actual construction will get started within the next four or five weeks.

## Miss Barylske Honored At Northwestern U.

Miss Jo Barylske, daughter of Mr. and Mrs. T. E. Barylske, 3001 Pershing avenue, was honored at Northwestern University's Honors Day this week. She was one of 20 girls of the sophomore class to be chosen for Phi-AI, the junior women's honorary.

During the past year, Miss Barylske has served as secretary of the student governing board of Northwestern University, on her class council and the Hoover Commission for the Improvement of Student Government, and was recently chosen a mistress of ceremonies for the annual May Sing, a part of the May Week celebration. She has also served on the executive board of her sorority and during the past year was selected by the national chapter of Alpha Delta Pi to found a new chapter at Northwestern College in Gettysburg, Pa. However due to academic requirements she remained at Northwestern. Miss Barylske has maintained a B-plus average in her two years at Northwestern.

## Deep Snows And Tows Recalled On Muggy Night

Nameoki town board members were wearing short sleeve shirts and summer trousers but were recalling the deep snows of the past February and March which posed serious problems for the township.

The town hall was hot and muggy Tuesday evening, lighting and thunder were in the air, and a 140-inch rainstorm was brewing as the board members debated a \$100 tow bill to pull the townships' grader out of a six-foot snow drift on Bond road.

Justice of the Peace Harry Curtis said the bill for three hours work for three hours was excessive, compared to another \$25. Supervisor Harry Briggs, recalling the circumstances of a number of families stranded by the snow drifts and calling for help, said it would have been cheap at \$300 at the time. ## Supt. Pier Heads Lions in Venice

A dinner was served to 26 members of the Venice Lions Club at the Venice-Madison American Legion home Monday evening prior to an election and President meeting at which President Charles Simmons presided.

The past presidents, Alfred Pace, Lloyd Blumenstock, Marion Groshong, Dan McGee, James Reidelberger, Dr. John E. Leo, Leo Daviny, Clifford Caver, Harold Hackney and Simmons served as the nominating committee.

New officers elected were the superintendent of the Venice public school district John O. Pier, as president; first vice-president, William Eberoldt; second vice-president, David O. Orendorf; third vice-president, Ralph Painter; secretary, Harry Wilcox; Thomas Breyer; and board of directors, Fred Rumpf, William Meehan sr., Leo Scherrell, Henry McCallen and Simmons.

A report was given by Blumensack on a meeting held on the committee members of the Venice Junior Service club on the 10th of June to be held at Lee Park June 10-12. The installation of new officers will be held at the next regular meeting.

## Brewer Transferred To Shell New York Office

J. Elmo Brewer, formerly of Granite City, manager of stores in the purchasing-stores department at Shell Oil Company's Wood River refinery, has accepted an assignment as senior head office representative in the New York purchasing-stores organization, effective about July 1.

Brewer, who was elected president of the Wood River Township Chamber of Commerce in January, has served as manager of stores at the refinery since Feb. 1, 1937. A native of St. Louis, he moved with his family to Granite City at the age of five and received his elementary and high school education in Granite City, where he graduated. He began his Shell career in 1939.

In 1951, he was named assistant manager of the refinery's stores department. He was transferred to Shell's Amorettes, Wash., refinery in 1954 and returned to Wood River in his present capacity in 1957.

Brewer is married to the former Magalea Nolin, also formerly of Granite City, and they have two children. Beverly, 15, a student at Roxana junior high school, and Gregory, 7, a student at the Rosewood Heights elementary school. Brewer is president of the Roxana PTA, a member of the St. Louis chapter of the American Material Handling Society and the YMCA Indian Girls program. Mrs. Brewer is president of the Wood River Who's New Club, a YWCA-sponsored organization for newcomers, and the family belongs to the Wood River Presbyterian Church and Sunset Hills Country Club. Brewer is a member and past president of the Shell Club, a member of the Service Club and Recreation Association.

## 8 Quad-Cityans Called For Service On Grand Jury

Eight Quad-City area residents were among those called Monday to Edwardsville to serve on the May term circuit grand jury.

Among the 18 criminal cases being heard by the jurors this week is that of David Luther Fisher, 15, of Rural Route One, who is charged with the murder of his father, George E. Fisher, Sr., at their home near Mitchell last March 21. The boy has since been adjudged delinquent and placed under the guardianship of the county juvenile officer.

The March term grand jury recommended no action on Fisher's case. Local residents called for the jury are—Robert Abel, 4117 Breckenridge lane; Lyman Monroe, 2900 West 20th street; Gata Griffin, 2850 Edgewood avenue; Homer Lupardus, 2710 Denver street; Edward Roch, Rural Route One; Mrs. Thelma Orr, 2106 Troy street, Madison; Henry Howick, 125 rear Abbott street; Venice and Floyd N. Chappell, 719 Brown street, Venice.

An Alton resident, Walter E. Schulz, was named jury foreman. The jurors were impaneled by Circuit Judge James O. Monroe Jr.

### Greene County Judge To Hear Vote Contests

Greene County Judge Jack A. Alfied this week was appointed acting county judge for St. Clair county to hear six of the seven contests including levee district contests involving the Democratic Party's April 12 primary in that county.

County Judge William P. Fleming announced the selection at Belleville. Alfied, a Democrat, will receive \$100 per day for presiding in the case. He resides at Carrollton.

Judge Alfied gave the opposing sides—Fields and Touchette—until May 31 to file additional \$2000 per side security to guarantee the costs. He also announced he would hold a hearing at 10 a.m. June 3 on preliminary motions.

Before Judge Alfied are six suits contesting the nominations for five trustees for the East Side Levee District, and contests for other offices in St. Clair county.

Last week Judge Fleming stepped out of the cases when Touchette candidates filed a motion for a change of venue on grounds of prejudice.

**PLANNED EXPANSION** to the Belleme Village shopping center on Nameoki road, construction of which is scheduled to begin next week. New structure is to be located south of present shopping center building.

(at extreme left in architect's drawing) and will contain 18,000 square feet of floor space.

Corner location containing 5,000 square feet has been leased by the Madison County Federal Savings & Loan Association. Lease arrangements with firms which will occupy six additional stores within the addition have not been completed.

Contractor for the addition is Wolff Construction Co. of St. Louis. The brick, steel and glass structure will have the same general appearance as the present shopping center building, and will make the shopping area the largest of its type in

the Quad-Cities. Architect for the new building is Virgil Duleroff.

A. H. Proeming, executive vice-president of the Madison County Federal Savings & Loan Association, said his firm is moving from its present address at 1919 Edison avenue to the new shopping center building due to continued growth of the firm and expansion of the residential area surrounding the new building location.

The shopping center addition is due to be completed and ready for occupancy by Oct. 15 of this year, George Nieman of the contracting firm said. The original Belleme Village shopping center building was completed in 1954. The new structure will be built in line with the present building.

### Ranft, Karandjeff Renamed To Port Authority Board

Reappointment of Carl A. Ranft, local soft drink bottler, and Henry D. Karandjeff, chairman of the board of Granite City Trust & Savings Bank, to the Tri-City Regional Port District board was announced Tuesday at Springfield by Gov. Stratton.

The new terms will run to June 1, 1963.

Ranft is serving as chairman of the board, which now is in the process of selecting a consultant engineering firm to prepare plans for a multi-million dollar wharf development at the Chain of Rocks canal harbor.

Other members of the board are Joseph Grant, Bottlemakers Union international officer; Harold R. Fischer, president of the First Granite City National Bank, and City Atty. William Beatty, Austin Lewis and Harry Hartman.

### Lighters, Stamps Stolen From Ranft Office

A burglar ransacked the office of Ranft Bottling Co., 2118 Grand avenue, stealing 10 cigarette lighters, \$6 worth of stamps, six ballpoint pens and \$8 cash from desks. It was reported to Granite City police Monday afternoon by Carl A. Ranft.

Entrance apparently was gained through the plant as the office was locked, Ranft told police. Eight of the lighters were imprinted with the Ranft firm name, one was a stainless steel Japanese lighter and the other was a brass desk lighter.

The stamps and money were taken from desk drawers.

### Highlighted With Float 96% Participation Is Goal In Depot Savings Bond Drive

A U. S. Savings Bond campaign is underway this week at the Granite City Engineers' Depot.

Col. Jack C. Jeffery, depot commander, and Mrs. Pauline Weir, savings bond officer, met with the depot's staff officers Monday afternoon to outline the campaign for both military and civilian personnel.

The commander stated, "It is important that our people here at the depot be educated and indoctrinated in the Savings Bond program. By purchasing U. S. savings bonds through the payroll savings plan, our people are not only starting their own personal investment in freedom and security but are also purchasing a share in our nation's security, because each bond purchased is another share in the freedom we as Americans enjoy."

The goal set by the depot is to obtain 96% participation.

Proceeding the kick-off meeting, the depot's float, which highlighted the U. S. Savings Bond parade in downtown St. Louis last week, toured the depot with a military police escort.

The float was designed by Mrs. Weir and featured a large bass violin which revolved on a turntable. A clown, Juanita Kozzowski, played the bass as it turned, keeping time with the float theme — "Don't Fiddle Around — Buy Bonds."

Riding on the float were the depot queen, Mrs. Sharon St. Ivany, and her four attendants—Gerry Bailey, Carol Snodgrass, Evelyn Ketchie and Barbara Hutchings, all wearing white formal gowns.

The float featured a large red castle, the insignia of the Corps of Engineers, and a three-foot replica of a \$100 U. S. Savings Bond. Standing at parade rest on either side of the bond were Sgt. Jack Barrow of the 185th Engineer Company and Sgt. First Class Alvin Pailer of the 574th Engineer Company.

In distributing material for the campaign, Mrs. Weir said a personal contact of each individual at the depot will serve as an indoctrinator of the merits of payroll purchase of savings bonds and an opportunity to persons already buying bonds to increase their bond purchases.

### John W. Davidson, 77, Dies At His Home Today

John W. Davidson, 77, of 2817 Iowa street passed away early this morning and was found dead in bed at his home at 8:30 a.m. He had been ill for about eight months due to a heart ailment.

A native of Jackson, Mo., Mr. Davidson was a Granite City resident 59 years and was a member of the Niedringhaus Methodist Church. He was a steamfitter at the General Steel Castings Corp. before retiring.

He was preceded in death by his daughter, Mrs. Fern Link, six years ago. Survivors are his wife, Mrs. Ida Davidson; two sons, Lloyd and Lynn Davidson, both of Granite City; a sister, Mrs. Hattie Wells of Jackson, Mo.; five grandchildren and two great-grandchildren.

Funeral arrangements are given in the obituary column.

### Arrest For Blocking Venice Crossing Today

Venice police arrested the engineer of a Washish freight train that allegedly blocked the Kerr street crossing from 9:40 to 10:10 a.m. today. Charged with blocking traffic, Lee A. Miller, Decatur, Ill., was awaiting bond late this morning.

Due to repairing of Main street, eastbound traffic off the McKinley Bridge is being routed over Kerr street. Miller said the engine accidentally went into "emergency," locking the wheels on all cars.

## Park Boys' Baseball Season Opens Saturday; Parade, Ceremony, Games

Postponed from last Saturday because of rain, the Granite City park district's parade and opening ceremonies for the 1960 boys' baseball program will be held beginning at 2:45 p.m. at Madison avenue at 1:30 p.m. Saturday.

Over 600 members of the 52 boys' baseball teams in this year's program, city and park board officials, individuals who have contributed to the park baseball program, "Miss Granite City" and a color guard from VFW Post 1300 will participate in the parade.

Among those who will ride in convertibles along the line of march to the new baseball diamonds in Wilson Park will be park board officers and commissioners Harry Loman, Milton Worthen, Clarence Gaumeier, Milton Allen and Earl Bloomquist; Mayor Leonard Davis; Ray Willmott, chief of police; The Citizens Chamber of Commerce President Sam Meyer; Alvin Barnes of the Associated Retirees; Dr. Harold Kaiser, Granite City superintendent of schools; Dr. Leo Coleman, founder of the local boys' baseball leagues; Miss Beverlee Block, "Miss Granite City" as selected by the Junior Chamber of Commerce; John McBride, vice-president and general manager of the Midway Star and Refining Co., whose firm recently built and donated a flagpole to the park district; Rev. Paul Evans; and Christ Paschoff, of Van de Cruse, David Morgan and James Haggard, individuals who have contributed

time and effort to the park program.

**Ceremony At Diamonds**  
At the baseball diamonds, Rev. Evans will offer the invocation, followed by a flag-raising ceremony conducted by the VFW color guard. Post 1300 also donated the flag which will fly atop the new flagpole.

The national anthem will be sung by Mrs. Shirley Adams, and park board President Loman will introduce park commissioners and officials, who will then inspect batteries at each of the four diamonds and throw out the first balls.

The end result of the opening day activities regular league games will follow on Diamonds One through Four.

**Schedule Of Games**  
The Daybreak Optimists will play VFW Post 1300 in a Midwest division game on No. 1, the Taylor Cart Rockets and Granite City Trust and Savings Bank Hornets on No. 2 in a Bantam division encounter, and the Milton Shop and Western Auto Hawks on No. 3 in an Atom contest, while another Atom game on No. 4 will match Granite City Kiviana and Eagles Lodge 1126.

Just prior to the games, individual patches will be awarded to members and managers of 1959 season division champions. The defending champions are the Marshall Tigers in the Atom division, Taylor Cart Rockets in the Bantam division, Daybreak Optimists in the Midwest division, and Eagles in the Juvenile division.

Two Local Skaters Enter State Meet

Two skaters representing the Johnson Roller Rink will leave Sunday for Elmhurst, Ill., near Chicago, where they will participate in state roller skating finals.

They are Linda Scott, who won first place last year in the state meet ladies' free style division, and George Barker, aged five, third-place finisher last year in the "diaper division" free style event.

Miss Scott will defend her free style title, while young Barker will compete in the racing and free style events in his division. The first three finishers in each division will become eligible to advance to midwest district eliminations.

**Blues, Lettles Play Exhibition Monday**

The St. Louis Blues and Peroria Lettles, both participants in the world women's softball tournament last year after winning championships in their regional, will be opposing teams in an exhibition softball game at Wilson Park at 2 p.m. Memorial Day.

Lorraine Ramsey, teacher at Coalville Junior high school, is a member of the Peroria squad, which will be making its first appearance here, while Beverly Conway and Rita "Snooks" Hennessey, both of Granite City, are on the Blues' roster.

## Granite City PRESS-RECORD

Price, Rains Top Hitter, Pitcher For '60 Warriors

Bob Price led all Granite City high school ball widders with a .414 average in 19 games, and John Rains turned in a perfect 6-0 pitching record, according to statistics released by Warrior head baseball coach Joe Fedora this week.

Price, who had 29 hits in 70 at-bats, was followed by Catcher Harry Smith with 300 and by Price's back-court cohort on the basketball floor, Rich Williams, who hit .358 in 17 games.

The highest average on the team was posted by Vic Eubank, who hit .454 but batted only 11 times.

Dave Dumoulin was the second most effective pitcher for the Redskins, who were district champions and completed the season with 17 wins and four losses. D had 68 strikeouts in six straight this season, and then was charged with the loss in the 1960 season, when he was 1-1 in two games, with one win by East St. Louis .43.

**Girl Scout Day Camp Registration Heavy**

Vacancies in the Tri-City Girl Scout Council's summer day camping program at Camp Lakota are "filling up rapidly!"

Kris George Eubank, co-chairman of the activity, said this morning. Registration for the camp is scheduled to end tomorrow afternoon, but will be kept open a day longer.

Neighbors 20, three, four and one will camp for one week in that order, beginning July 11 and continuing through Aug. 5 at the Girl Scout site near Glen Carbon. The council has added a bus stop at the Madison recreation center which will pick up Madison Girl Scouts each day during the week they camp.

Girls will travel to and from the campsite each morning and afternoon by bus. Approximately 300 will make use of the camp facilities each week, provided the required number of qualified adult leaders is available. Some still are needed, particularly in Neighborhoods one and four, Mrs. Eubank said.

**Claire Williams, 59, Passes Away Suddenly**

Claire "Whitey" Williams, 59, was pronounced dead upon arrival at St. Elizabeth Hospital at 9 p.m. Wednesday after being stricken at his home, 1608 Seventh street, Madison.

A general carpenter, Mr. Williams had been under treatment for a heart ailment. He was born in Ottawa, O., and moved to Madison eight years ago.

He is survived by his wife, Mrs. Mildred Williams; a son, Harold Lee of Madison; one daughter, Mrs. Clyde (June) Movers of Project City, Calif.; a sister, Mrs. Victor (Marie) Lander of Ottawa, O.; and four grandchildren.

Funeral arrangements are given in the obituary column.

**Parole Hearing For Resident Of Venice**

Among four parole hearings set for the June and July sessions of the Illinois Parole and Pardon Board is the case of Kenneth E. Tipton of Venice, currently serving a one-to-two year term at Pontiac State Prison for conviction of a 1959 burglary in Madison.

Tipton, 20, was convicted of the theft of \$308 in cash and merchandise from a residence in Madison. His case appears on the June parole board docket.

**Tarpaulin, Chains Stolen**

A 37x22-foot tarpaulin and six chains and six binders, used to secure loads, were stolen off a lot at 17th street and Grand avenue, according to a report Wednesday to Granite City police.

**Motor Taken From Yard**

An outboard motor belonging to Ray Lane of St. Louis was reported stolen from the yard at the home of Mrs. May Hancock, 2549 North street, yesterday. The sheriff's office was notified of the theft.

Also completed from their efforts in the team events. The policemen fired 10 rounds slow fire, 10 rounds timed fire and 20 rounds rapid fire, with a time limit of 10 seconds in the last event.

Lt. Vanfosson estimated that between 800 and 1000 members of the IPA fired their rounds at targets at the seven locations, which include: Glenwood, Evansville, Chicago, LaGrange, Lyons and Springfield in addition to Granite City.

Each contest consisted of 30 rounds fired by the law enforcement officers, who shot as five-man teams. Individual scores Mrs. Denise Schmitt, Registration manager at Tri-City Girl Scout Council office.

## 23 To Graduate Six Warrior Varsity Athletic Teams

### Losing A Bumper Crop of Lettermen

Coches of nearly every varsity athletic squad at Granite City high school will have big gaps to fill next year. The varsity letterman will be few and far between. The varsity coaches of various teams at Granite City high school face the same problem, year in and year out, and it appears to be an especially acute one here.

The Warrior track, football, basketball, cross-country and tennis teams will be minus a total of 23 lettermen at the beginning of the 1960 fall term, lettermen who were among seniors recognized at a special assembly at GCHS yesterday.

Hardest hit of all the sports mentioned will undoubtedly be Andy Sullivan's basketball squad. In addition to losing ace guards Rich Williams and Bob Price, the Warriors will have to do without the services of graduating seniors and lettermen Carl Worthen, Bill McElwain, Harry Smith and Harry Cook, all of whom supplied balance on the "Sweet Sixteen" state tournament team.

Williams and Price, both of whom played varsity ball for Madison before transferring to Granite City, were all-conference and all-district selections this year.

Williams, whose basketball Warriors made like a book, was also all-Southern Illinois for two years and a member of the 1960 team.

**14 Games Rained Out**

Of the 16 games scheduled for the week Wednesday, all but two were rained out or postponed by wet grounds as the weatherman failed to cooperate with the Granite City park district's plans to open the 1960 Wilson Park softball season.

Only squads which were able to get their games into the record book were four members of the Slow Pitch league. In Monday night contests, Nameoki Presbyterian Church defeated Bethel Community Church 16-6 in a game scheduled for last night also were postponed, but if rains hold off today, two games in the league will be played tonight.

Six home runs, three in each contest, speed Monday's Slow Pitch both hit for the circuit for Nameoki Presbyterian, which totaled 16 hits. Catcher Charles Schwabe rapped a four-bagger for the VFW Post.

Berlin Wadlow was the winning pitcher, with Warren Sellers behind the plate. Otis Jacobmeyer took the loss for Post 1300, which had 11 hits.

City Auto Repair managed its 16 runs on only 11 hits, but two of them were circuit clouts by Paul Hoppe and John Allen. Von Dee Cruse went all the way to pick up the win, with Mike Vessl doing the catching.

Ed Agssel honored for Bethel Community, whose losing pitcher was Bob Whitman, Don Burkhams was behind the plate.

**Hire 7 Teachers; 6 Retiring In GC Honored By Board**

Seven teachers were employed for the 1960-61 school year by the Granite City school board Tuesday night, with resignations of five instructors accepted at the same meeting and six retirements recognized.

Those hired included Fred Makler, Columbia, Mo., a graduating senior at the University of Missouri, as a junior high Spanish teacher and Mrs. Patricia Mueller, 1527 Lindell Blvd., as science teacher at Central junior high school. Mrs. Mueller has a bachelor of arts degree from Rosary College and has taught for one year.

Jerry Ehrhridge and Donald D. Ridden, Charleston, Ill., both graduating from Eastern Illinois University, were employed as industrial arts instructors.

Others hired were Miss Linda Welker, Cape Girardeau, Mo., graduating from Southeast Missouri State College, as a kindergarten teacher; Miss Jacqueline Johnson of Madison, a senior at McKendree College, as an elementary teacher; and Miss Joan Peters, Jennings, Mo., graduating from Iowa State University as a high school girls' physical education instructor.

Resignations were accepted from Mrs. Susan B. Graham, Nidringhaus third grade teacher, who with her husband is moving to Missouri; Mrs. Violet Lockhart, Emerson third grade teacher, who is retiring after 36 years' service in the district; Miss Jo Nell Parrott, Frohardt first grade, who plans to be married; Richard Vansoy, Mitchell third grade, who is resuming his education; and Miss Beatrice Cooley, language arts teacher at Coolidge junior high, who will not return from a tour of Spain and other sections of Europe in time for the start of the fall term.

The board also accepted the resignation of Mrs. Lucille Weigering, secretary in the school district accounting office, who is moving to California.

A one-year leave of absence was granted to Mrs. Henriette Hinson, high school cafeteria employee, due to illness in her family.

Mrs. Lockhart was one of three retiring teachers presented certificates at Tuesday's meeting by Homer Hubert, school board president. The others were Miss Ruth Fletcher of Coolidge, retiring after 39 years' service, and Mrs. Ann Busch of the Mitchell school, 25 years.

Those honored by the district but unable to remain for the ceremony during the meeting were Misses Hetty and Daisy Fick of the high school faculty, retiring after 43 years' service; and Miss Ruth Ingham of Emerson, 4½ years.

**Red Cross Accepting Funds To Aid Chile**

The American Red Cross will serve as agent for cash contributions to aid in the relief of victims of the weekend earthquakes and tidal waves in Chile, the Tri-City Chapter was advised Tuesday by President Al Hiss M. Gruenther. Persons wishing to donate funds may give them to the local chapter for forwarding to the Chilean Red Cross.

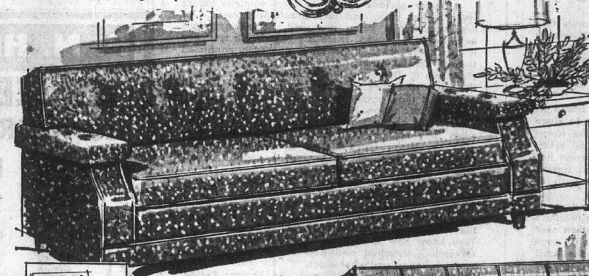

Relief supplies being gathered by the U. S. government included hospital equipment, blankets, tents and plasma. With Chile appealing for international assistance, the American Red Cross has contributed \$10,000 and is providing the services of its eastern disaster relief director. Communications are open to the stricken country, and Americans concerned over the safety of friends and relatives there may cable welfare inquiries direct. The toll is estimated at 3000 dead and missing, 1000 injured and 50,000 homeless.

## Message Of Memorial Day— Freedom Must Be Maintained

Closely associated with Memorial Day, or Decoration Day, is the famous poem by John McCree, who wrote "In Flanders fields the poppies blow between the crosses, row on row." His tribute to those who gave "the full measure of devotion" in the world war I symbolizes the solemn holiday to be observed here Monday, for it is the war dead who give meaning to Memorial Day.

In decorating graves and calling attention to the sacrifice made by their fallen comrades, Quad-City veterans and other Americans emphasize how much their nation's heritage of freedom actually means to the average man, from whose ranks wartime military forces are formed. The perpetuation of a democratic way of life means so much to each individual that thousands upon thousands were willing to lay down their lives for it.

In his address at the Gettysburg battlefield, Lincoln paid tribute to "those who here gave their lives" that the "nation might live." He asserted that "we cannot dedicate—we cannot consecrate—we cannot hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it for us, and it is rather for us to be here dedicated to the great task remaining before us" so that "these dead shall not have died in vain."

The message of Memorial Day is clear. Lincoln urged Americans to resolve that freedom and "government of the people, by the people, for the people, shall not perish from the earth." McCree worded it this way: "Take up your quarrel with the foe: to you from failing hands we throw the torch; be yours to hold it high. If ye break faith with us who die we shall not sleep, though poppies grow in Flanders fields."

## Re-Districting Can Curtail Confusion, Delays At Elections In Granite City

Word that complete re-districting of Granite City precinct boundaries will be sought after the November election is good news for voters tired of the confusion that has existed here each election day. Purpose of the move will be to create identical precincts for both city elections and the township and county balloting, according to Supervisor Leonard Oram.

Oram also indicated that the county board of supervisors will be asked at its June meeting to place all Granite City township residents within the township for voting purposes. Such action can be taken only at this time of the year, and past inaction has resulted in residents of many annexed areas having to continue traveling to Nameki township polls to vote.

The supervisor also proposes county action to change the boundaries of three Granite City precincts to reduce their size. Such action is required when over 800 votes are cast or when the registration list tops 600. Precinct Nine had over 800 votes in the April primary, and 34 of the Quad-Cities' 42 precincts list more than 600 registered voters, with Granite City Nine topping 2000 registrations and 11 others exceeding 1000.

County records show 44 of the 153 precincts have more registered voters than the statutory limit, with the largest precincts concentrated in the Quad-Cities and Wood River. Since some townships say that no changes are planned, a forceful stand by the county board may prove necessary.

## State, Local Officials See Major Benefits For Area From Local Port

With progress being made toward selection of a consulting engineering firm, and the state pledging all possible assistance in establishing new port facilities here, the Tri-City Regional Port District is continuing to move rapidly toward its initial port financing and construction program.

It is interesting to note that Gov. Stratton joins with the local officials in visualizing "major benefits" to Madison county and the central area of Illinois" from local port operations. Port districts in New York, Chicago and other cities have proven to be of great value in developing shipping and storage business and encouraging the production and flow of commerce. Embracing more than one municipality, such districts have aided all sections of their area by carrying out projects that none could accomplish alone.

With both the state government and Illinois industrial planners actively supporting the local plans, the port district has a bright "green light" to proceed.

## Study By Collinsville Group Results In Recommendation For Fluoridation

Several years of exhaustive study by the Collinsville Junior Service club have resulted in a report strongly urging fluoridation in Collinsville and an offer to purchase fluoridation equipment for the city. The study is of interest because it parallels an analysis of fluoridation in this area, and the conclusion is identical: the program can safely, effectively and inexpensively reduce prevalence of dental decay by up to 60%.

In an open letter to Collinsville citizens, the club's fluoridation committee asks that they "calmly weigh all the evidence before you make up your mind as to whether or not this public health measure will benefit you and your children. In discussion of water fluoridation, there has often been more argument than useful information.

"Many persons appear to form opinions before learning the facts, and an extraordinary amount of misinformation is being published. Scare campaigns have become common. There is a regrettable tendency to reject evidence scientists have repeatedly confirmed through careful study, solely because many prefer to disbelieve it. The opposition to fluoridation resembles the same resistance to health advances in the past. "Less than a century ago, a San Francisco mob resisting vaccination killed a man. In our own lifetime, public health workers were driven out of town when they recommended chlorination of water supplies to control typhoid fever epidemics. In recent years there has been a flurry of opposition to the Salk vaccine," the committee relates.

"Who are we to believe? As laymen, we must turn in these matters to the men who stand highest in their own professions, the scientists and public health and medical authorities who are recognized as the top men in their fields by their own professions. They know how to evaluate scientific evidence, what research is required and how much, and what research is honest and what is not.

"When Dr. Benjamin Spock, Dr. Thomas Parran, Dr. Howard Rusk, Dr. Peter Murray, Dr. Bela Schick, Dr. Robert Loeb, Dr. Morris Fishbein and Dr. Jonas Salk, to name only a few well-known authorities, say that fluoridation is safe and effective, we had better take their word for the scientific aspects.

Benefits of fluoridation are still being delayed in the area served by the East St. Louis and Interurban Water Co. due to inaction by the Granite City, Belleville and Swansea municipal governments, although a great majority of the affected cities have given their approval.

## 'Piggy Back' Complaints

## Cloverleaf Residents Win Support Of Town Board

Nameki town board members decided upon a "get tough" policy with the Nickel Plate Railroad Co. to put an end to complaints by residents of Cloverleaf addition concerning the railroad "piggy back" operations over Hilldebrand and Central avenues. A delegation of Cloverleaf residents attended Tuesday night's town board meeting to reiterate the complaints.

Supervisor Harry Briggs instructed Town Atty. Nick Vasilieff to write railroad officials advising them to halt the reported dust, noise and speed nuisances within five days or the township will take steps to prevent trucks from using the township streets.

Residents of the area said the heavy trucks are damaging homes as well as creating the dust and noise nuisances. They had talked to an attorney and planned to secure an injunction, but then decided to appeal to the town board.

Supervisor Briggs said the township could place a five-ton load limit restriction on the two stations, the township road commissioner could file a complaint against the railroad because of damage to the roadways.

"We sent several notices, but we'll send one more before we take any further action," Briggs told the delegation. It was brought out the township has requested the railroad fix the street, but no reply has been received. "That was two months ago," Briggs said.

**Teachers Ask Priority**  
*(Continued from Page 1)*  
The next step will be up to the local. The salary request was announced May 3, the board's letter of objection was dated May 12 and Dr. Kaiser's letter saying the administration is willing to meet with the group was dated May 18.

The letter from the committee said the local voted unanimously against the 4% and 3% 1960-61 and 1961-62 pay raises and "the salary proposal submitted was so ridiculously low that it was an insult to the profession."

**Request Meeting**  
The letter continued, "Again, we request a meeting with the board of education and the administration to discuss our viewpoint. Since the minutes of the board of education are public information, we would like to see the minutes of the meetings held on May 3 and May 10, 1960, and meetings since that time."

"In the event an agreement cannot be reached by June 10, the meetings requested are terminated for the summer and will be resumed at the beginning of the school year in the fall."

In turning Tuesday's meeting to the teachers' spokesmen included in the meeting were approved, Huber said in a memorandum to the board was ready to listen to the teachers' proposals and attempts at negotiations due to the club's administrators conducting negotiations.

After Mrs. Borke and Mr. Meyer asked for verification of the anticipated wage contract for a past year, Lehr appealed for direct negotiations with the school board. In his reference to teachers he considered first, he said wages should be planned and other spending and then offered what was left to the teachers.

"Instead of getting the bone, we would like a little meat for our dogs," Lehr said in summarizing his remarks. Increases ranging from \$27 to \$122 in the amount of \$500-\$744-a-month salary schedule by degrees were being scheduled.

Longest National league game during the first month of the 1960 season required four hours and 20 minutes. It went 14 innings with the Giants beating the Cubs 4-3.

**Willie Mays of the San Francisco Giants hit safely in his first 16 games this spring.** Chicago's Cal McLish stopped his streak on May 4.

With the teachers expecting state aid to rise \$172,000, Lehr said additional revenue of about \$1,000,000 will be available. He has been believe much of this amount is being asked for a different accounting procedure is necessary in developing the school budget.

**Million In Debt**  
He traced the growth of school indebtedness to the school and compared actual educational and tax rates with the maximum authorized by law and referendum. The difference in the minimum and maximum rates since 1950 has been \$1,808,067, he said. Total 1960 educational budget is \$20,000,000. He said over \$100,000 warrant has been sought before the year ends.

"We do not question at this time how the money is being spent in the budget, but we feel the entire warrant should have been eliminated had the funds been properly utilized by the people. We feel that the sanction of the public had already been given," Lehr said.

"It seems to us that the proper effort be made to prepare for the teachers at the end of the present three-year contract, the indebtedness and the situation as it now stands would need to be."

The board did not tax what it could have. With the additional assessed valuation, we feel the district could have been in a much better financial condition. We realize that the indebtedness of the district has at the present time is a problem, but had the board planned a surplus, this must have been the problem would not be."

Lehr said transportation costs are borne from the educational fund although a separate transportation levy is allowed, and he said that higher building fund taxes had been levied in the past, buildings would be such that more building taxes would be required. He said that state law would require all custodial pay come from either the educational fund and building fund but not both, "Since proper arrangements were not made in the past building fund, this must necessarily come now from the educational fund."

long established policy to grant raises in the manner attempted in this ordinance. Last year, the council refused to grant pay increases for city employees, while other employees were given two-year contracts with \$25 monthly increases each year. It was learned the new budget now being prepared for 1960-61 includes \$25 monthly increases for the office workers.

**Blanket Boost Only**  
Commenting on his veto, Mayor V. Davis said he will against all pay raises unless the policy of granting blanket increases to all city workers is continued. "For 11 years, all pay increases have been granted by blanket increases across the board until last year," he added.

While the council made no attempt to overturn the veto, there were some protests.

**Combined SIU Campus Newspaper, Yearbook**  
A stepped-up program of student journalistic activities at Southern Illinois University's Southwestern Campus in September 1960 calls for publication of a student yearbook as well as a campus newspaper, Dr. Howard V. Davis, director of student affairs, announced today.

Simultaneously, Davis announced the following staff appointments, recommended by the student council and approved by the journalism council: yearbook editor, Pat Kamper (Palau); associate editor, Janice Koříko, Alton; assistant editor, Arthur Towata, Alton; business manager, Ronald Von Seng, Collinsville. Those who will be in charge of the new newspaper are: editor, Diane Bowker, Alton; associate editor, Harry Brown, Lemay, Mo.; business manager, Paula Nicolson, Cottage Hill.

The past two years students at the Alton center have been publishing a school yearbook called the ARC. Each spring, a special edition published the editorial review of the year's activities. Looking toward a central office, Davis said he had appointed a central council for the Alton and East St. Louis centers decided on a combined newspaper and a yearbook to draw the two centers closer together.

**Solons Quoted to Oppose**  
The proposed amendment to the non-protection ordinance met with opposition as it was presented for immediate passage. Alderman Arthur Wiegler asked for it to be placed on reading to give further time for discussion.

"I'm not for any more taverns. I'm not for any more drug stores or other type of business," Wiegler said. "If you're talking about liquor, I'm not for it." He said he would vote against the amendment. "I can't do that," Major Davis replied. "That's a hard job," he said.

**Resignation Refused**  
"You're not resigning now," the mayor told Meyer, "I won't accept your resignation."

Meyer added, "My eyes are going bad. I can't read very good."

The mayor considered Meyer saying he was not content with any changes in committees this year. Prior to the debate on the ordinance, the council discussed at length the proposed liquor control law amendments. Meyer replied, "Some aldermen subvert ordinances for themselves and I have to take the heat for it."

Meyer stressed that Postar, a resident of his ward and long-time member of the city, wanted to open another business and was being kept from doing so by the ordinance. It was brought out other businessmen had more than one store in the community, but there were restrictions on liquor outlets.

Meyer offered to withdraw his amendment pending a passing on first reading. Aiderman Schmitt told the council that he had never known a man in trouble at Smilin' Joe's tavern and could see no reason for not passing the law.

However, the council refused Meyer's offer, and the debating continued. The council then voted for tabling included Alderman Rufus LeMaster, Donald Farney, Rutledge, Frank Nemeth, Skubish, Whitmer, Emerald Daves, Robert Gaughan, Weizel, Samuel Blackchaffon and Paris went under the tabling. Frank Vescei Against the tabling were Aldermen Nunn, Benich, Schmitt and Steve Basarich. Aldermen Meyer, Gabrielle Betine was absent.

**MADISON FAMILY WINS 2ND SWEEPSTAKES PRIZE**

The winners of the second economy car to be given away during the 7th annual Associated Retailers and Civic Association sweepstakes are Mr. and Mrs. Robert Vaughn of 1546 Fourth street in Madison, who attribute their good fortune to the fact that "we went ahead and made purchases which we could have put off." The keys to a Ford Falcon two-door sedan were turned over to the Vaughns yesterday. Two other persons had opportunities to claim the car before it was presented to the Vaughns yesterday afternoon.

**300 At SIU Centers Working Part-Time**

Lack of money is not keeping 300 students at Southern Illinois University's Southwestern Campus from going on with their education. An earn-while-you-learn program at the university offers a wide range of job opportunities for students who need financial aid in order to secure a college degree. David R. Van Horn, supervisor of student employment and placement, reported this week.

## Aid To Retarded Children Group Elects New Officers

A report of the nominating committee was made Monday evening at a meeting of the Granite City Association for Aid To Retarded Children and the following officers were elected by acclamation:

William Coyle, president; Mrs. Paul Baker, vice-president; George Hurcoy, treasurer; and Frank Schawaller, secretary.

Mrs. Joseph DeRuntz, the retiring president, was unable to attend the meeting and William Coyle, vice-president, was in charge. Mrs. Kipling Pellett served as chairman of the nominating committee.

The meeting took place at St. John United Church of Christ on Nameoki road, and five mem-

bers who attended the state convention recently in Mt. Vernon gave their reports on the workshops and sessions. Some of the sessions were on "Retarded Children at Home," "Institutions and Training Schools," "Southern Illinois University," "Parent Sponsored Schools" and "Legislation."

A vote of thanks was extended to the Afternoon Guild of St. John Church for a contribution of \$50 to be used for the summer program.

Announcement was made of a console TV set to be used in the TMH class at the East 23rd street contributed by a St. Louis firm.

Twenty-two persons were present at Monday's meeting.

## WSCS Executive Board Meets

The executive board of the Women's Society of Christian Service of Niedringhaus Memorial Methodist Church met Tuesday evening in the lounge of the office building. Sixteen members were present.

Mrs. Elsie Henley presided, and after the opening prayer by Mrs. Roy Kean plans were discussed for the coming year. The circle meetings will continue

throughout the summer months and a group of the members are planning to attend WSCS Day Friday at the annual Conference being held in Belleville. On June 15, the ladies will meet at the church to cut and sew hospital gowns for refugees, one of the projects of the society. Remodeling and redecorating the lounge another project of the society to begin in June, was discussed.

The meeting adjourned with prayer by Mrs. Beverly Barnett.

## 233 Entries In Garden Study Club Annual Flower Show

There were 233 entries this year in the annual spring flower show at the YMCA Tuesday from 2 to 8 p. m., sponsored by the Garden Study Club.

The theme was "Living With Flowers," and judges were Mrs. S. J. Shea of Belleville; Mrs. Ernest Allen of Bunker Hill; and Mrs. Harry Rostrop of Edwardsville. Mrs. C. E. Eads was chairman of the event, assisted by the club president, Mrs. Abner Branding, Mrs. E. H. Droegge, Mrs. H. E. Lynch, Mrs. August Theis, Mrs. John Lehman, Mrs. Harry Lewis and Mrs. J. Braden, of the arrangements committee.

Blue ribbons were presented for first places, red ribbons for second, and yellow for third.

In the Horticultural Section, where flowers are shown for perfection of growth, were roses, iris, peonies, various shrubs, perennials and potted house plants.

The winners of blue ribbons in this section were Mesdames Braden, G. E. Cease, Droegge, George Filcoff, Eads, Harry Fraumfelder, Robert Krasus, William Kirchner, Mary Kristian, Al Lanahan, Lehman, Harry Lewis, Melvin Richter and George Stearns.

Red ribbon winners were Mesdames Fred Cunningham, Clifford Meng, Arthur Fischer, Charles Kohl, Theis, J. P. Cox, Rella Grewell, and Eugene Short. Those who won yellow ribbons were Mesdames William Maack, E. W. Miller and George Sotloff.

In the Artistic Arrangement Division, blue ribbons went to Mesdames Braden, Droegge, Kohl, Kristian, Lynch, Miller and Theis. The red ribbon winners were Mesdames Cease, Droegge, Kraus, Lehman, Lewis, Kristian and Lynch.

Those receiving honorable mention were Mrs. Krause and Mrs. Maack.

The club desires to create and stimulate interest in design in flower arranging as well as to help one another to grow better flowers in the gardens through horticultural education.

### CUBS MEET AT SCHOOL

Cub Pack 122 of the Wilson Avenue school met for a regular monthly meeting in the all-purpose room at the school Monday evening. The meeting opened with a flag ceremony and pledge of allegiance led by Den Six. Short plays were presented by Dens Four and Five.

Cubmaster Floyd Pitchford presided over the business meeting, and summer activities were discussed.

Gene Buzan announced that Boy Scout Troop 122 will have a fish fry Friday, June 3, at the school.

Pitchford announced that a "buddy-basket" program is in progress. Games were enjoyed, and refreshments were served by Den One to approximately 75. Pitchford presented awards to Tommy Green, Tommy Dyer, Gary Apps, Glen Lear, Mike Kalpis, Mike Bradford, Frank Vitale, Chuck and Jessie Burnett, Rickie Thomson, Rex Buzan, Larry Harris and Bruce Jones.

Den Seven closed the meeting with the "living circle" and Cub Scout promise.

### SUPPER AT CHURCH

A pot luck supper was held at Good Shepherd Evangelical United Brethren Church Sunday evening in honor of Mrs. Georgia Stanley of the Redbird Mission in Kentucky. She presented slides, sang religious folk songs and played an auto-harp.

Present were Mr. and Mrs. Roy Thompson and children, Rickie and Jackie, Mr. and Mrs. Oliver Talley and daughters, Nita and Kathy, Mr. and Mrs. Robert Loar and children, Glen and Laura Mae, Mr. and Mrs. Forsting and children, Kenney and Darlene, Mrs. Katherine Sedick and daughter, Mary, Mr. and Mrs. Basil Woodmansee and son, David, Royal Hurt and son, Steve, Milburn Smith and children, Kendall, Lynn and Vivian, Mr. and Mrs. Gary Rainwater and children, Carol and Tommy, Gary Insor, Carol Ann Nally, Sheila Cook and Rex, and Mrs. B. L. Bryan and children, Phillip, Paul and Sue.

### ENTERTAINS CLASS

The Winsome class of the Suburban Baptist Church was entertained Monday in the home of Mrs. Florence Motts, 2602 East 28th street, for devotional and prayer were given by Mrs. Hattie Pryor, who was in charge of the business meeting.

The class voted to discontinue the meeting for the summer until September. The business served refreshments to the above and Mesdames Pauline DeLuis, Nova Bartley, Ingeborg Smith, Laura Harlow, Hildreth Lewis, Ruth Bunker and Nettie Smith, a guest. The next meeting will be in September in the home of Mrs. Hildreth Lewis.

### FOURTH BIRTHDAY

Mr. and Mrs. Robert C. Shipley, 2421 Sunbury avenue, entertained in honor of their son, Bobby Joe, on his fourth birthday Sunday. Grandparents present were Mrs. Dorothy Shipley and Mr. and Mrs. Eric Jensen and son, Virgil, of St. Louis.

Mrs. Shipley served refreshments to the above and Mr. and Mrs. Thomas S. Ryan and daughter, Sandra, Mr. and Mrs. Thomas J. Ryan and twin sons, Shane and Shawn, and the honoree's younger brother, Mike. He received many gifts.

Mark Allen, infant son of Mr. and Mrs. Ronald Huelkoetter, was christened Sunday at St. Peter Evangelical and Reformed Church. Sponsors were Mr. and Mrs. Norman Reiske.

A dinner was held in the home of the maternal grandparents, Mr. and Mrs. Elmer Baumbarger, 2449 East 23th street, following the Christening.

Seated at dinner were the sponsors, the infants' parents and sister, Cynthia Ann, Laura Ann and Timothy Reiske and the paternal grandparents, Mr. and Mrs. Harold Huelkoetter and children, Connie and Mary Jane, of Mascoutah, Ill.

Den One of Cub Pack 122 of the Wilson Avenue school met Tuesday in the home of Mrs. Beverly Singleton, 2812 Edgewood Avenue. The meeting opened with the pledge of allegiance, and jewelry boxes were completed. A "grand bowl of thanks" was given to Den Chief Larry Wright.

It was decided that Den One will hold summer meetings, and the meeting closed with the scout promise. Refreshments were served by Mrs. Killian to Rex Buzan, Steve and Larry Harris, Steve Killian, Bruce Jones, Mike Hayes and Keith Rodgers.

Mr. and Mrs. Don Miller, 3009 Sunbury Avenue, and their children, Joni and Shari, spent the weekend visiting Mrs. Miller's parents, Mr. and Mrs. P. L. Robinson of Decatur, Ill.

## Victory Mothers Honor Mothers At Banquet

Victory Mothers Unit Two held an annual mother-and-daughter banquet Tuesday evening at the Odd Fellows hall.

A pot luck supper was served to 75 mothers, daughters, granddaughters and out-of-town guests. Mrs. Darlene Rode and Mrs. Malinda Klucke of Edwarsville, Mrs. Grace Boyd of Alton and Mrs. Martha Massa and her daughters-in-law, Mrs. Jean Massa of State Park.

Following the supper, entertainment was furnished by an accordionist, Mrs. Darlene Rode, and gifts were presented to the oldest mother, Mrs. Sallie Hillcott; youngest mother, Mrs. Darlene DeClue; mother with the most children, Mrs. Mabel Greer; and mother with the most grand-children, Mrs. Malinda Klucke.

A reading was given by Mrs. Sallie Peacher, and an auction was held. The tables were decorated in white, and centerpieces consisted of garden flowers. An invitation was received to take part in Memorial Day services.

## Bay View III Names Officers

The Bay View III Reading Club adjourned for the season Wednesday after a meeting in the home of Mrs. Paul Kratz, 2441 State street, at which officers for the coming year were elected.

The new officers are Mrs. Joseph Barytski of Collinsville, president; Mrs. Fred Cunningham, Edwarsville, vice-president; Mrs. Kenneth Knox, recording secretary; Mrs. J. C. Conway, corresponding secretary; and Mrs. Charles Whaley, treasurer.

A dessert course was served before the meeting to 10 members and two guests, Mrs. Ruth Graves and Mrs. Billy Meier, and the program was given by Mrs. Barytski who reviewed Moss Hart's book "Act One".

RETURNS FROM COLLEGE — Miss Cathleen Wittvrongel, who has just completed her freshman year at Marycrest College in Davenport, Ia., arrived home this morning to spend the summer vacation with her parents, Mr. and Mrs. M. A. Wittvrongel, 1605 Garfield avenue.

## Niedringhaus PTA Installs Officers

Niedringhaus School PTA met Tuesday evening at the school. The colors were presented by the new president, Miss Decker, in charge. Richard West installed three new officers. They are Harold Hillmer, president; Mrs. V. E. Thorne, first vice-president; and Mrs. Mary Roppe, third vice-president. The other officers were kept away by a rain storm.

The room count was won by Miss Decker and Mrs. Graham's rooms, and two selections were given by the band students of the school.

Approximately 125 were present.

INSTALLED AS MOOSE OFFICER — Charles Quentin Christy, formerly of Granite City and a 1939 graduate of the local high school, has just been installed as governor of Moose Lodge 1108 in Carbondale, where he operates the Carbondale Dental Laboratory.

Christy is a son of Mr. and Mrs. Glen Christy of this city.

## Junior High PTA Installation, Choral Concert

The last PTA meeting of the 1939-1940 year for the combined Central and Coolidge Junior High schools was held Monday evening in the gym of the Coolidge school, with installation of officers for the next term and a choral concert of eighth and ninth graders.

Charles Jungels called the meeting to order with the salute to the flag, and Mrs. Valerie Evenden read the PTA prayer. Jungels introduced Mrs. V. K. Brazier of Alton, president of PTA District 29, who installed the new officers. As the new officers faced the assemblage, Mrs. Brazier lit blue and yellow candles which symbolize the officers of the PTA program. Pens were presented to last year's officers.

New officers are Jungels, lady president; Mrs. Doris Thompson, first vice-president; Harold Hill, treasurer; Mrs. Valerie Evenden, recording secretary; and Mrs. M. S. "After the Ball is Over."

## James Altic, Venice, Passes Away Today

James Altic, 216 Hampden street, Venice, died at about noon today at his home. His survivors include his wife, Mrs. Norma Altic, operator of Norma's Tavern in the 700 block of Main street, Venice.

His remains are being taken to the Labej funeral home, Madison, where arrangements are incomplete.

Girls who accompanied the boys wore authentic costumes of the 90s and carried long trailing handkerchiefs. They were Sharon Smallie, Connie O'Guin, Janet Utey, Diana Viessman, Percy Schaefer and Peggy Carmack.

The boys' glee club presented "Song of the Open Road" and "Do Animals A-coming." The girls' ensemble sang "Have You Ever Seen a Star" and the freshman mixed chorus gave "The Twenty-Third Psalm," "Gossip, Gossip" and "Rock-a-Boy Soul." The combined groups gave "Festival Finale," accompanied by trumpets played by Gerald Fredericks, Mike Fry, Richard Hahn, Mike Mullen, David Toth and Kenneth Wille.

## Solons Seek Legal Opinion On Low Lawn Seeding Bid

A written legal opinion was requested from City Atty. William Beatty to determine if there would be a conflict of interest in accepting the low bid submitted last week for seeding the lawn at the city's new \$333,000 fire station.

The request was made during Monday night's council session, and the opinion is to be submitted at the next meeting on June 6. Beatty told the council Monday night he did not believe the 50% partnership of City Inspector Jack Fricker in the low bid firm would constitute a conflict of interest, but he had not had time to thoroughly check the law.

"Men get their pictures on Money . . . but Women get their Hands on it!"

Said Mrs. Ruth Sherrill, vice-president of First National Bank of Memphis. She says "women spend 85¢ of every consumer dollar."

We don't know where the poor husband comes in, because he doesn't even get all the remaining 15¢.

Seriously, we think the housewife does a wonderful job in keeping the family well fed, clothed, housed and educated. You will find our stores operated with good taste, to suit the most fastidious of women.

### HOSTESS TO CLASS

Mrs. Lyman Vandermark was hostess to the Joy Sunday school class of the First Methodist Church Monday evening in her home, 1885 Second street. The lesson was given by Mrs. Wesley Clemons.

The hostess served refreshments to Lyman Vandermark, Mrs. Betty Ballentine, Mrs. Anna Graves, Mr. and Mrs. Clemons, and son, Steve, Mr. and Mrs. Robert Black, Mrs. Lorraine Creighton and daughter, Carol, Mrs. David Richardson and children, Angie and John, Rev. and Mrs. H. E. Dickey and the class teacher, Mrs. Estelle McBrain.

HERE FROM CALIFORNIA  
Jack Little, son of Mrs. Fay Little, 1832 Fifth street, arrived in Madison to visit his brother-in-law and sister, Mr. and Mrs. Elmer Voegel and daughter, Ellen Fay. An employee of the Rand Co. in California, he was sent to Ann Arbor, Mich. Monday as a consultant on computers.

He spent three days in Michigan.

### PLAN SERVICES

Delray Rebekah Lodge 788 met Tuesday evening at the Odd Fellows hall in Madison, with 12 members responding to roll call.

The noble grand, Mrs. Ruby Wood, presided and final plans were made for joint memorial services to be held by the Trinity Odd Fellows Lodge 1031 and Rebekah Lodge members of Madison June 11 at 8 p. m. in the hall.

Four candidates will be initiated at the regular meeting June 14. A donation was made by the members for the May Day, an extension of the Eastern program. Birthday offerings were given by Mrs. Leo Salmon, Mrs. Pearl Sartin and Mrs. Naomi James.

Mrs. Pearl Sartin, Mrs. Ruby Wood and Mrs. Ellen Wimberly are to visit the Madison Nursing home June 2 and serve refreshments.

Brownie Troop 87 held a winter roast for its last meeting of the year Monday afternoon. The summer events will be an overnight tent camp June and a trip to the zoo during July or August.

Those present were Beverly Bosworth, Jeanne Bosworth, Mary Champion, Lynn Clay, Phyllis Frizzell, Nancy Giesche, Sherry Jackson, Ruth Michels, Debbie Palcher, Emily Webb, Sandra Wood, Zoe Tatum and Miss Dorothy Hinson, leader.

Mr. and Mrs. Grant Harrison and son, Darrell, of 26th place spent Sunday at Gillespie, Ill.

### Traffic Accident

Involved in a collision yesterday evening on old Route 67a, below the McCambridge avenue viaduct were autos driven by James Welch, 67, of 1722 Fourth street, Madison, and Paul Lindsey, 22, of 2116 Hildebrand avenue, Cloverleaf addition. County authorities said Welch was traveling north, while Lindsey was going south and making a left turn into a driveway.

Cub Pack Four of Logan school held a pack meeting Tuesday at the school. The meeting was called to order by Dempsey Cross sr., and the flag was presented by Den Thro. "God Bless America" was sung by the group.

Den Davis presented each den mother with a gift, and each den presented a play or song.

Awards were presented to Dempsey Cross Jr., Thomas Alfaro, Ronald and Roger Laws, Richard Wally and Michael Cross. Den Four and Five presented their den mothers, Mrs. Lillie Anderson and Mrs. Margaret White, with pins.

Cross outlined the summer program. Den Four received the attendance cup, and Den Two served.

Mr. and Mrs. Leo King and sons, Donald and David, returned home Monday after spending the weekend at Annapolis, Md. They were guests of Mr. and Mrs. Jeff King and Mrs. Belle Sullivan.

Cub Den Four met Monday and enjoyed an outdoor cook-out. Present were Darrell Harrison, Randy Wright, Clinton Lewis, Ronnie Westbrook, Mrs. Lillie Anderson and Mrs. Ruby Gromer.

Mr. and Mrs. Edward Shemwell and children, Randy, Pamela and Johnny, of Glen Carbon were guests Friday of Mr. and Mrs. Dallas Shemwell.

Shrimp Casserole Supreme is a speedy version of a hearty Lenten Entree. Do remember to cook for a short time—the shrimp will be better and the vegetables will be crispier.

**Prices Lower This Year**  
Go right ahead and enjoy shrimp to your hearts content for your food budget. Actually, you'll pay less per pound this year than last and this goes for all forms: raw, in shell with vein or deveined; block or individually frozen; and cooked as well as those in sauce.

**Most Economical Choice**  
The most economical shrimp available is the convenient two-pound package of tiny imported shrimp that has been frozen in blocks. You'll recognize these easily for they are in transparent polyethylene bags. They are drained, deveined and ready to cook. The two pounds can be counted on for ten servings.

**Shrimp Casserole Supreme**  
One pound shrimp, fresh or frozen  
One fourth cup butter or margarine

Shell and de-vein shrimp, but do not cook. Melt butter or margarine in frying pan and saute onion, celery and green pepper until soft. Drain bean sprouts and add liquid to saute vegetables. Dissolve cornstarch in cold water and add your sauce. Add shrimp to the sauce and cook, stirring until mixture thickens. Season with salt and pepper. Add bean sprouts and raw shrimp; let come to a boil, and cook until shrimp are pink about five minutes. Serve immediately with hot rice.

Makes four servings.

## JULIETTEES MEET AT CAMP LAKOTA

The Juliettees, Girl Scout leaders of Neighborhood Three held a pot luck supper at Camp Lakota Tuesday evening. There were 23 in attendance for the supper and meeting before the spasm called an early halt to the evening.

Mrs. Shirley Brown, neighborhood chairman, conducted the meeting and announced committees for the summer projects. The annual convention will be held in St. Louis in November, and Neighborhood Three will be responsible for meeting all the guests arriving at Union Station. Official greeters will be Mrs. Wilma McQuinn, Mrs. Pat Welch, Mrs. Jenni Schieb, Mrs. Ethel Getteman, Mrs. Corinne Kreher and Mrs. Dorothy Hoffman.

Each neighborhood will now be responsible for conducting the annual cookie sales, and Mrs. J. I. Underwood was appointed chairman of Neighborhood Three, with Mrs. Dorothy Hogan as co-chairman.

Plans for the July 4 celebration at Wilson Park were discussed, and cotton-candy will be sold to make money for the campfire. A committee was chosen for this project, and those appointed were Mrs. Denise Schmitz, Mrs. Doris Votaw, Mrs. Esther Zimmer, Mrs. Bette Rea, Mrs. McQuinn, Mrs. Rosella Henderson, Mrs. Dolores Voegler, Mrs. Beverly Prokovec, Mrs. Brown, Mrs. Cele Habekost, Mrs. Schieb, Mrs. Bendie, Mrs. Wanda Mabey, Mrs. Getteman and Mrs. Kreher.

The summer camp was discussed, and Mrs. Brown announced that one counselor is needed for every eight girls. She stated that more girls in the neighborhood would like to attend camp, but cannot until more counselors are registered. A call to the Girl Scout office is all that is needed to register, she added.

In October, a banquet is to be held for all the leaders of the Juliettees, under the direction of Mrs. Margaret Ann Henderson. The name Juliettees comes from Juliette Low, who was the founder of Girl Scouts in the United States in 1912, and the banquet is held in October of each year as that is the month Miss Low was born in Savannah, Ga. Her birth date was Oct. 31, 1860.

Neighborhood Three consists of the Girl Scouts and Brownies of the Nameoki, Frohardt, Wilson and Maryville roads, Mitchell and Stallings schools.

### TENTH ANNIVERSARY OR ORIENTATION

The Mitchell Presbyterian Church honored Rev. and Mrs. John DiGiacomo with a surprise luncheon after the services Sunday in honor of their tenth wedding anniversary and the tenth anniversary of Rev. DiGiacomo's ordination as a minister.

Rev. David Maxton of the First United Methodist Church of Granite City gave the invocation. The tables were decorated with red roses, and the centerpiece was made of angel food cake, shaped in a double wedding-ring pattern and decorated with silver and red roses. White candles in glass candle sticks completed the table arrangements.

Before her marriage, Mrs. DiGiacomo was a missionary in the West Bottoms area of Kansas City, Mo. Her home town is Independence, Mo., and their wedding took place there on May 2, 1950, the day after Rev. DiGiacomo was ordained as a minister at the Upper Missouri Presbyterian in Lawson, Mo. He graduated from the Central Baptist Seminary in Kansas City, Mo. on May 4, 1950, and received a doctorate of divinity in 1947 from the Pioneer Theological Seminary in Rockford, Ill.

He is the son of Rev. Francis S. DiGiacomo, a pioneer missionary in the Genesee Valley of New York for 54 years. They have one child, Debra, who will be five in June. They have been at the Mitchell church for three years, coming here from a congregation in Augusta, Ill. About 65 members of the church attended and presented the couple with a gift.

### FUTURE HOME-MAKERS RETURN FROM OZARKS

Girls and leaders of the Future Homemakers of America Association of Granite City school returned home Sunday evening from a three-day trip to Blue Summit Lodge near Eagle Dam in the Missouri Ozarks.

The members who made the trip were Misses Phyllis Polley, Norma Edwards, Janice McFarland, Sharon Pierson, Margie McBride, Karen Johnson, Carol Ann Aldridge, Linda Stator, Peggy Brake, Diane Allen, Ruth Jarnum, Janice Botsch, Betty Hall, Pat Mott, Pat Parks and Jeannette Borswall. Leaders accompanying them were Miss Daisy Pick, Mrs. Grace McLaughlin and Mrs. Betty Aldridge.

The organization teaches homemaking and careers in home economics, and is a profit group with enrollments in the United States, Hawaii, Puerto Rico and Guam. During the trip, the girls enjoyed swimming, the Ozark Opera and horseback riding.

### FINAL PACK 22 MEETING

The final meeting of Cub Pack 22 was held Tuesday evening at Frohardt school, with Cubmaster George Gluka in charge. Den Eight conducted the flag ceremony to open the meeting.

Gluka made the announcements of summer plans. They include a trip June 9 to the Museum of Transportation in Kirkwood, Mo., a campout June 22 and 26 for fathers and sons at Beaver Dam, and a family picnic July 23 at Cahokia Mounds.

### ADVANCEMENT CHAIRMAN BILL GAINES

Presented awards to Alex Tarpoff, Dickie Duff, Bruce Gluka, Jim Seaton, Dan Gaines, Jerry Kovack, Robert Johnston, Allen Naney, Gary Edwards, Gary York, Robert Douglas, Jerry Doyle and Ronald Fisher. Magician Larry Borso was the entertainer for the evening and

astounded the boys with feats of magic. A plaque was awarded Mrs. Elsie Rodell, a former den mother, for having 100% enrollment of her boys for Boys' Life subscriptions. The plaque was accepted on her behalf by her husband, Charles. Refreshments were served by Dens Six, Seven and Eight.

### MRS. DORAN HOSTESS

Mrs. Mary Doran entertained the Over 21 club in her home, 4213 Rode avenue Monday evening. Games were played, with Mrs. Dorothy Tutun and Mrs. Florence Borders the high scorers of the evening.

The hostess served a late dinner course to the members. Those present included Mrs. Kathleen Hehle, Mrs. Leona Johnson, Mrs. Mary Fawcett and Mrs. Pena Shookman. The next

meeting will be June 6 in the home of Mrs. Shookman, 3927 Nameoki road.

### RANDEE SUE HARPER HAS FOURTH BIRTHDAY

Mrs. Sandy Harper honored her daughter, Randee Sue, on her fourth birthday Monday afternoon with an outdoor party in the Harper yard, 1915 Lynn avenue.

The traditional cake and ice cream were served, and candy was given as favors. Each child was given a toy by the hostess, and the honoree received many gifts.

Guests present were Susan and Jimmy Pfeiffer, Debbie and Brenda Gerkin, Donnie Kayser, Marty and Richard Bunch, John Altkinson, Mike Blattner, Bob and Joyce Nobis, Robbie and Scott May, Billy Ellington, Bruce

Knobeloch, Tommy Gracey, Valerie and Vicki Johnson, Gregory Barr, Chris Vincent, Karol Knackstedt, Mary Jo and Skipper Conveaux and Bobby and Danny Hayes.

### MOTHER-DAUGHTER BANQUET FOR SCOUTS

The Nameoki school Brownies and Girl Scouts held their annual Mother-and-Daughter banquet Monday night at St. John United Church of Christ.

Mrs. Wilma McQuinn acted as master-of-ceremonies, and the flag ceremony was given by Mrs. Shirley Thompson and Troop 129.

Welcoming posters were made by the scouts and placed on the tables, as well as favors made from pipe-stem cleaners, candy and muffin cups for each mother and girl. White candles in

glass candlesticks completed the table arrangements.

The invocation was offered by Mrs. Rosella Henderson. Singing was held throughout the evening, and a tribute to mothers was given by Mrs. Rose Stearns and her co-leader, Mrs. Dorothy Hochall.

A parody on a ladies' style show was given, with Sharon Wagner modeling a street dress, Wagner Daves a sports dress, Sharon Koch a garden dress, a cotton ball dress by Carol Brown, a newspaper print dress by Lois Ann McQuinn, toast dress by Cathy Folles, cardboard box coat by Paula Henderson, nylon stocking dress by Marie Greve, tea-bag tea gown by Sandy Brown, cocktail feather dress by Regina McKinney, calendar date dress by Kathy Kaiser, flannel nightgown evening dress by

Debby Knapp, bathing suit by Kathy McCalla, flour sack flow-ers-girl dress by Janice Albers, and a bridal-gown pulling a toy train, worn by Patty Young.

Games were played after the style show, with Mrs. Doris Greve, Mrs. Frieda Yates, Mrs. Edith Headrick, Mrs. Grace Boyles and Mrs. Evelyn Line the winners.

The banquet was arranged by Mrs. Shirley Brown and Mrs. Wilma McQuinn, and other leaders present were Mrs. Cele Habekost, Mrs. Dina Fox, Mrs. Mildred Schwendeman, Mrs. Margaret McCalla, Mrs. Jane Reese, Mrs. Genevieve Willtrout and Mrs. Esther Kaiser.

### COOK-OUT FOR BROWNIE TROOP 134

Brownie Troop 134 held a cook-out Monday evening in the

yard of the leader, Mrs. Charles Lybarger, 1820 Primrose avenue. Before preparing the supper the girls finished making match book holders for Father's Day gifts. Mrs. Ted Berger assisted Mrs. Lybarger, and announcement was made of a father-daughter hike to Wilson Park on June 6.

Brownies attending were Debbie Byers, Debbie Berger, Debbie Jackson, Edith Hodebeck, Linda Lybarger, Valerie Slatky, Linda Forbush, Susan Holton, Rose Willtrout, Phyllis Hartman, Nancy Hanke and Margie Pommeroy. After the hike, the Brownies will have no further meetings until the fall school term begins.

## FUTURE HOMEMAKERS INSTALL OFFICERS

The Future Homemakers of America met Monday evening in the apartment at Granite City high school and installed officers for the next fall season.

Miss Sharon Pierson, the past president, acted as installing officer for Miss Norma Edwards, newly-elected president; Miss Pat Paris, first vice-president; Miss Alice Noah, second vice-president; Miss Madeline Bates, secretary; Miss Margie McBride, treasurer; Miss Betty Moss, parliamentarian; and Miss Beverly Hall historian.

Chairmen of the various departments also were named. Miss Karin Johnson is in charge of reception, Miss Diane Allen projects, Miss Sara Aldridge public relations and Miss Janet Bolton dresses. Miss Daisy Pick and Miss Hetty Pick are the sponsors of the association.

New members were initiated into the association at the meeting. They were Miss Phyllis Polley, Miss Diane Allen, Miss Pat Paris, Miss Beverly Hall and Miss Jeanette Bershwall.

From a table decorated with red roses and red and white candles, the girls served a late dessert course to the new officers. Initiates, sponsors and mothers. A cake, decorated with red roses, which are the symbol of the group, was inscribed with the names of the new president and Miss Pick.

## RETURNING TO GUAM

John Doroghazi, son of Mr. and Mrs. John Doroghazi, 4027 Stearns avenue, left Monday for a three-day visit with his maternal grandmother in Wisconsin before returning to Guam May 29.

Doroghazi is a member of the Andersen Air Force Base pistol team and attended the Strategic Air Command worldwide pistol meet at the Air Force base in Castle, Calif., returning from Guam last Friday to attend the meet. The team placed fourth in the 15th Air Force.

Returning to Guam May 29 by air, he will be stationed there. The team placed fourth in the 15th Air Force.

## VACATIONISTS RETURN

Mr. and Mrs. Abe Shannon, 3301 Carlton avenue, returned over the weekend from Albuquerque, N. M., where they visited their son-in-law and daughter, Mr. and Mrs. Alexander Hachigian, and their granddaughter, Margaret. Side tours were made to the Painted Desert, Grand Canyon and Petrified Forest.

Mr. and Mrs. Robert L. Carroll, 2335 Spalding avenue, are announcing the birth of their fourth child, a daughter, Tuesday at St. Anthony's Hospital in St. Louis. She has been named Lynn Marie and weighed six pounds, 14 ounces. The Carrolls have three other children, Kathleen, nine, Robert, seven, and Judith, three. Maternal grandparents are Mr. and Mrs. Al Kunkel of St. Louis.

## EVENING CIRCLE MEETS

The Evening Circle of the United Presbyterian Women's Association met Tuesday evening in the home of Mrs. Lillian Sortor, 3725 North street.

The chairman, Mrs. Bonny Britton called the meeting to order and read from the Bible, and Mrs. Bea Pyle read missionary names and led prayers offered in their names.

Mrs. Lu Pyle, world service chairman, reported on the association sewing project and showed samples of hospital gowns that the association is making. They will be given out at the June association meeting. A chapter of "Hymn Book of the Ages" was the subject of the evening's lesson given by Mrs. Irma Taylor. The meeting concluded with sentence prayer. Mrs. Sortor served a late dessert course to Mrs. Britton, Mesjag, and Jack Luckert was Ben Pyle, Mrs. Taylor, Mrs. Lu Pyle, Mrs. Louise Thompson, Mrs. Fern Mitchell, Mrs. Tvyllan Marcum, Mrs. Ruby Hocking and Mrs. Lotella Purcell. The next circle meeting will be June 28, and the next association meeting will be June 13.

## GC Heart Patient Needs Whole Blood

An urgent appeal for whole blood necessary in delicate heart surgery scheduled to be performed Monday on her husband was issued today by Mrs. Julia Penrod of 2923 Cayuga street.

Calvin Penrod, a millwright at Granite City Steel Co. will undergo a lengthy "open heart" operation at surgeons at St. Louis Barnes Hospital attempt to correct two deficiencies. At least 12 pints of blood over and above what has already been pledged will be needed, Mrs. Penrod told the Press-Record today.

Donors must be present during the operation, which begins at 7:45 a. m. since the whole blood will be transferred directly to a heart-lung machine to be used during surgery. Mrs. Penrod's blood type is A-positive, and both A-positive and A-negative types are acceptable, his wife said.

Persons wishing to contribute blood may call Mrs. Penrod at TR. 65429 for additional information. Prospective donors who are not certain of their blood types will also be required to have necessary tests made at St. Elizabeth hospital. All donors must also pass a physical examination.

Mrs. Penrod said about 15 pints have already been pledged toward the operation. The heart-lung machine, a relatively new invention which duplicates the actions of the human heart and lungs during surgery of the type performed, requires about 18 pints of fresh human blood for "priming" before surgery, and an additional extra amount of blood must be immediately available.

Mrs. Penrod explained that a whole blood previously donated and blood plasma are not suitable for the operation, during which surgeons will attempt to correct two deficiencies, one the build-up of excessive calcium on one of the heart valves, the other a condition which prevents the necessary amounts of oxygen from reaching the body's organs through the bloodstream.

## Outboard Motor, TV Set Stolen From GC Shop

A stolen boat shop was looted by burglars according to a report to Granite City police Tuesday morning. The items taken from Williams Boat & Motor shop, 3100 Madison avenue, valued at several hundred dollars, included an outboard motor with electric starter and a 21-inch table model television set with a mahogany cabinet.

The theft was discovered about 9 a.m. Tuesday, and entrance was gained by prying open a rear door. The entire door frame had been torn loose and the door was left open by the fleeing thieves.

## Boy Loots Parking Meter On Cleveland Blvd

A parking meter was broken open and the money box taken Tuesday afternoon in the 1900 block of Cleveland Blvd. The amount of money in the box was not ascertained.

A witness told police he saw a heavy-set boy about 12 to 14 years of age break into the meter located on the east side of Cleveland Blvd. at the alley behind the Illinois State Employment Services office. The boy was wearing a white sweat shirt and rode off on a yellow bicycle, according to the witness, a resident of the block.

## Hi-Y Clubs To Sponsor Dance Saturday Night

Five YMCA Hi-Y boys' clubs will sponsor a formal orchestra dance Saturday evening at the YMCA gymnasium in an effort to promote added interest in the Hi-Y clubs, assistant teenage director Don Mega said today.

The dance, which begins at 8 p.m. and continues until 11:30, is free of charge to all members of Hi-Y and girls' Tri-Hi-Y clubs with membership cards, with a 50-cent admission to be charged to non-members. Theme of the dance is "Night Beat in New Orleans," and the gym will be decorated appropriately.

Free refreshments will be available to those attending. Dance committee heads are George Cruise, Bill Ridings, Wayne Piclorford, Pat Schuman and Warren Nash.

The sponsoring clubs and their advisors are Exams, Jerry Donnelly and Jerry Hamlett; Tri-Angie, Norman Brokaw and Jim Mosby; Madison Gardens, Don Mega; Meda Goch, Peter Stieb; and Alimca, Ralph Baker and Jerry Lorenz.

## Survey Shows Now Is Time To Buy New Home

Like the growing number of people elsewhere in the country, residents of the Tri-City area feel that this is a good time to buy homes, Sam Wolf, president of the Granite City Board of Realtors, said today.

Wolf explained that the most recent (March) national survey of consumer buying intentions by the University of Michigan revealed that 48% of the persons contacted said this was a good time to buy a home, compared with only 38% who gave a similar answer in October and November of 1959. Of those queried in January and February this year, 28% expressed some uncertainty, and only 23% said it was a "bad time to buy."

"While we do not have the facilities to make a detailed survey of the home buying intentions of the Tri-City area families, reports from the realtors who make up the membership of our board clearly indicate that the Tri-City area is in step with the national trend," Wolf said. "Virtually all of our members report a sharp increase in the number of families who have entered our local housing market."

The Granite City board is affiliated with the National Association of Real Estate Boards, whose members use the registered term Realtor.

Wolf assigned three reasons for the growing number of local convention that this is a good time to buy a home.

"The major reason for the public's favorable opinion of the wisdom of making home purchases now undoubtedly is the recent moderating trend in the interest rates charged on mortgage loans," Wolf said. "This is shown by the fact that last fall, when interest rates generally were advancing, only 38% of the survey thought that the time to buy a home. Now that the money market has achieved a greater degree of stability, 48% of the people consider this a good time to purchase."

Wolf said that in local terms, the advent of spring and the knowledge that the local sales housing inventory offers a wide range of choice at attractive prices also account for the increasing briskness of the housing market.

"After a winter of comparative inactivity, people are more willing to move around with the advent of favorable weather," he explained.

It was in view of this increased interest in home-buying that the realtor executive offered what he termed a "time-saving suggestion."

"Families interested in finding a new home will save themselves time and frustration if they will call on the realtor of their choice at the start of their house-hunt," he said. "All of our members have extensive listings and even photographs of homes that are up for sale in this area. If the prospective buyer will tell his realtor the price range, neighborhood, and type of home in which he is interested, the Realtor will be able to offer specific suggestions and arrange quick inspection visits, thus saving hours of possibly fruitless 'driving around.'"

## 3 From Granite City To Attend State Fire College

Three Granite City firefighters will be attending the annual state Fire College to be held June 13-16 at the University of Illinois.

Chief Elijah King said this week he will be accompanied by Capt. Ralph Geisert and Fireman Robert Nunn.

The fire college's oldest such course in the nation, will feature lectures, classes, firefighting exercises and demonstrations for improving techniques of some 8000 firemen in the state.

Topics at the school will include nuclear weapons fire control; rural, school, residential and industrial firefighting tactics; rescue procedures; arson and salvage and the use of new weapons.

There will be demonstrations of rocket fuel explosions, extinguishing-liquid petroleum and oil fires and new types of extinguishing agents.

DECORATIONS for formal "Night Beat in New Orleans" dance are put in place at the YMCA gym by members of boys' Hi-Y clubs, which are sponsoring the Saturday event. The clubs plan to make such a dance an annual event in an effort to increase interest in the boys' division of the teenage department.

## Attends Fallout Course At St. Louis

William Siebold, of Mrs. Siebold's Bake Shop, attended a course just completed at St. Louis University to teach bakers how to detect radioactive fallout and decontaminate food. The course was sponsored by the St. Louis Office of Civil Defense.

The class was for 18 members of the St. Louis Master Retail Bakers Association. Civil Defense officials said knowledge about fallout is important for bakers, so they can provide food products free of radioactive contamination in case of nuclear attack.

## Levee Office Moves

The local office of the East Side Levee & Sanitary District has been moved from 1745 Madison avenue to a vacant garage building at 1707 Madison avenue, which the district is leasing from B. F. Hohlt, Inc.

The vibrant beauty of a carefully carved selection baked ham is equal to the Easter occasion. Make your selection early.

## Ham Traditional for Easter

We are told more hams are sold for Easter in this area than for any other special day. Fortunately, retailers are prepared with a good supply that price-wise goes easy on the budget. In making your decision as to style and size ham you will purchase, keep in mind the final cost per serving after all preparation is completed. Boneless-cooked hams and center slices will give 4 to 5 servings per pound, while regular hams average 2½ servings per pound.

## Semi-Boneless Hams

Among the different type hams available locally, you'll find a semi-boneless that is proving to be a popular choice with many. In this ham, the shank and sitch bone, which is the troublesome bone in the butt portion, have been removed, leaving in the ham only the long narrow bone in the center. The skin has been removed also and waste is minimized and carving made over so easy.

## Calling for an Encore

White whole hams are often a most economical choice, and they are as easy to prepare as halven or shanks or butts, there's almost sure to be some "left overs." This calls for encores and how to make the second appearance as attractive as the first is often a problem. We think the following encore recipe will help to solve it.

## Ham Hawaiian

One cup hot water  
One bouillon cube  
One-fourth cup raisins  
One can (9 oz.) crushed pineapple  
One tablespoon sugar  
Two tablespoons vinegar  
Two tablespoons soy sauce  
Two tablespoons cornstarch  
Two cups cooked ham, cut in thin strips

Combine water, bouillon cube, raisins, pineapple, sugar, vinegar and soy sauce in frying pan; heat. Blend cornstarch to smooth paste with a little water; stir into mixture. Cook, stirring constantly, until sauce thickens and boils 1 minute. Add ham and heat well. Serve with Cranberry sauce or a tart moloid salad. Makes 4 servings.

ACCEPTS STAR ROLE. Miss Sharon Hill, a junior at the Granite City high school, who has signed a contract at the Music Hall in Dallas, Tex.

## Miss Hill Is Chosen For Star Role In Show

Miss Sharon Hill, 16, a daughter of Mrs. Elsie Sekorius, 2419 Cleveland blvd., a junior at the Granite City high school, returned this week from Dallas, Tex., where she auditioned in a group of 200 dancers in an elimination contest held at the State Fair Music Hall and was accepted for a star part in the production "Redhead." She will also appear in a chorus of nine.

## Rotary Club To Install

Annual installation of officers of the Madison Rotary club was planned for June 22 at yesterday's meeting of the club. Wives of the members will attend the dinner, and entertainment is planned.

## Tempting Rice Ring

A rice ring filled with vegetable-studded cottage cheese and surrounded by hot buttered vegetables will prove a dish of distinction for a meekless meal. You might want to begin the meal with fruit cocktail and a scoop of orange or lemon sherbet, accompany the rice ring with tossed green salad and wind up the meal with baked cinnamon apples.

## Baked Rice and Cheese Ring

1 vegetable bouillon cube (or 1 envelope vegetable broth powder)  
1 cup water  
1 cup precooked rice  
1 clove garlic, chopped  
2 tablespoons chopped onion  
2 tablespoons melted butter  
2 tablespoons flour  
1/4 cup milk  
2 teaspoons prepared mustard  
1/2 cup mayonnaise  
1/4 teaspoon salt  
2 tablespoons cut chives, fresh or frozen  
2 eggs slightly beaten  
Spring garden cottage cheese  
Cooked, hot assorted buttered vegetables

Combine vegetable bouillon cube or broth powder with water. Bring to a rolling boil. Add rice; mix to molten rice. Cover; remove from heat and let stand 5 minutes.  
Cook garlic and onion in but-

## Two Charges Against Motorist After Crash

Claude Sapp, 42, Madison Heights, Mich., is still in custody today at the Madison jail after being arrested at 6:25 p.m. Tuesday for reckless driving and driving while under the influence of alcohol.

Police said the front of his eastbound car struck the rear bumper of the auto of Edward J. Nelson, 36, St. Louis on S.E. on street at McCambridge avenue.

About This Question

Motor boating and water skiing are here again. We want our outboard motor and boat to be protected against fire, wind and theft. We also need liability insurance in case we injure someone or damage property. Does a Homeowner Policy include fire? Is liability insurance and broad coverage for boats and motors?

**Venice Firemen To Give Fire College Program**

Fire Chief Michael Leatherman has announced that the department's fire-fighting demonstration at an Alton fire school this spring impressed state officials to the extent that Venice firemen have been invited to present a demonstration at the University of Illinois fire college in 1961.

Attendance of four Venice firemen at the 1960 fire college at Campground June 15-16 has been authorized by the city council. Each of the four to meet expenses of the trip. Four who have not been to such training previously will be chosen and are to be reported to the council at its June 3 meeting.

At Leatherman's request, the council has authorized the fire department to obtain up to 100 sets of house couplings threaded according to the uniform national standard. Until now, Venice couplings have had different threading.

The chief has reported that the East St. Louis and International Water Co. also desires the change and is willing to alter Venice fire hydrants accordingly.

The coupling change is expected to be helpful in the event of neighboring departments aiding Venice firemen or the Venice department helping to fight out-of-town fires. Mayor John E. Lee has announced.

Leatherman has invited city officials to attend 7 p.m. Tuesday practice sessions of the fire department at any time to observe the training program. The drills usually are conducted in the vicinity of Seventh street and Washington avenue.

The same Corvair that tallied a whopping 27.03 miles per gallon\* in the Mobilgas Economy Run... went right on to climb Pikes Peak earlier in the spring than any car has ever tried!

We want to show you what the fabulous traction of Corvair's rear-engine design and the sure-footedness of four-wheel independent suspension really mean. So the identical Economy Run car went right on to 14,110-foot Pikes Peak—and right up to the top of that savage mountain, on Apr. 8, still deep in winter's snow and ice. No other car—even specially equipped—had ever been able to conquer that nightmare alpine road so early in the spring. But Corvair (with United States Auto Club officials aboard to certify that not one nut or bolt was changed) purred right to the summit without chains or even snow tires! That just underscores the fact that Corvair is totally unique. But you'll find that out the first five minutes you're at the wheel!

# Tharp, Warfield Head List of 84 GCHS Honor Students

Alan Tharp was announced as valedictorian of the June 1960 class and James Warfield as salutatorian at a semi-annual recognition assembly program held yesterday at Granite City high school.

Winners of scholastic honors and other awards were announced by Principal Lawrence McCauley before a gathering of GCHS students in the school auditorium.

In a traditional ceremony, the top senior class president, Evelyn Arbitrer, presented a free-link chain to the present of the low senior class, Mike Melloy. The chain symbolically binds the graduating class to the school and to the classes preceding it.

Flag Ceremony

Miss Arbitrer then presented the class flag to the student body president, Bill Ridings. After a march to the flag pole, led by the GCHS band, the flag was raised while the national anthem was played.

Top seniors returned to the auditorium to receive their commencement announcements. The graduation exercises will be held Friday evening, June 10.

In attaining designation as valedictorian, Tharp established a scholastic average of 4.873, topping Warfield's 4.871. Tharp represents 4 and "A" is averaged as 5 in determining the average.

### North St. Residents Prefer Fair Oaks Dr.

Residents of North street in the Nameoki area submitted a request to the Granite City council Monday night, asking the name of the street be changed to Fair Oaks Drive.

Alderman Frank Vesel, who presented the request, said there is a North street outside the city limits with a Granite City address, resulting in confusion for deliveries and mail service.

The request was referred to the mayor and city attorney who are to confer with postal authorities on requirements of the post office for street name changes. If approved, an ordinance will be prepared and presented.

A 1956 graduate of Granite City high school, he worked for three years at the McDonnell Aircraft Corp., St. Louis county, before entering the service.

### Nameoki Town Board To Borrow \$20,000

Authorization for borrowing up to \$15,000 for the road and bridge fund and up to \$5000 for the town fund was given Nameoki Township Supervisor Harry Briggs by town board members Tuesday night. The money is to be borrowed as needed at 4% interest from the Granite City Trust & Savings Bank through the issuance of tax anticipation warrants. Briggs explained both funds are virtually depleted at present.

### Granite City PRESS-RECORD Thurs., May 26, 1960 Page 33

The resolutions adopted by the town board pointed out the \$15,000 needed for road and bridge purposes does not exceed the statutory 75% limit of the town fund except the limit on borrowing, based on the \$27,465 tax levy. Briggs explained both funds are virtually depleted at present.

ON THE FIRING LINE in the police department's new pistol range are five members of the DeMolay chapter rifle club and plan to enter statewide competition. Left to right —

David Partney, president of the club; instructor Roy Williams; Charles McConnell; Mike Voorhes; instructor and Police Lt. Paul Moore, George Cox and Richard Daughtry.

## GC Police Working With DeMolay Boys' Rifle Team

The cement was hardly dry at the Granite City police department's new firing range building before the structure echoed the sound of shots of a rifle club formed for 14 to 18-year-old members of the local DeMolay chapter.

The youths, under supervision of police officers and adult DeMolays, meet each Wednesday evening at the range building in Lincoln Place to learn the fundamentals of shooting .22 caliber rifles and will soon enter state competition.

All rules and regulations set by the National Rifle Association of America are closely followed at the modern range building, and the alert youths constantly fire questions at their instructors when they are not actually firing rifles at the firing line.

Police Capt. Joseph Kastelle, rangemaster; Lt. Paul Moore and Lt. George Teller, assistant rangemasters, are working with the boys along with Roy Williams, Charles Voss, Ray Horn and Donald Partney. When the youths are not at the firing line, they are huddled with the instructors learning rules and regulations of the NRA. The group is known as Uncle Jimmy Stuart's DeMolay "Hotshots" Junior Rifle Club.

The group has its own officers and some already have qualified for marksman badges. The officers are David Partney, president; Richard J. Doughty, vice-president; Robert Thomas, secretary; Leroy Doughty, treasurer, and Kenneth Cook, executive officer.

The club was formed to teach the boys safe methods in handling fire arms and range discipline, with an ultimate goal of competition with other clubs in the state. It already has fulfilled the requirements of membership for the National Rifle Association of America.

Rifle badges awarded to date include pro-marksman, marksman and marksman first class awards for Gary Ayers, Bill Lierman and Robert Moore; pro-marksman and marksman to Kenneth Cook, Richard Copeland, Robert Holdeman, George Lippe, Larry Lippe, Charles Meador, Gary Moore, David Partney, Mike Sanders, Bill Talley, Robert Thomas Jr. and Mike Voorhes.

Capt. Kastelle said the entire police department is enthusiastic over the progress made by the DeMolay group in the short time the rifle club has been organized, and he added that other groups have expressed interest in forming rifle teams for youths. "It looks like the range will be one of the busiest places in town. It's something we have needed for a long time. Any organization interested in forming a rifle club can make arrangements with the department." He added that another group using the range is known as the Bellemore "Mifires," and the adults in charge are Earl Hooper, Adolph Tessary and Wayne Parker.

The police officers themselves, during duty time, spend numerous hours on the range and are entering competition with other departments and guard groups at the Engineer Depot and local industrial plants.

Since the recent completion of the structure, which cost the city \$6000 and has been valued at \$40,000, it has been fully equipped with the latest features for target shooting. The officers make their own reloads and expenses are kept at a minimum.

The cooperative arrangement for construction of the building has been praised highly by Mayor Davis, the city council and other officials. The police officers themselves, other city employees shared the construction work with full crews of volunteer workers, all members of construction trade union, who cleared the city-owned tract, poured the foundations, laid the concrete floor, the concrete block walls, put in the wiring and plumbing, and built the heavy, metal backstop. Much of the material was donated to the department, while others were purchased with city funds and through a public subscription of funds by the department members.

The range has become the police department's answer to the city's new, modernistic fire houses, and the police officers point to it with as much pride as the firemen do their station. Prior to the building of the range, the police did practice shooting on the ranges at the depot and Granite City Steel Co.

RIFLE INSTRUCTOR Roy Williams (wearing cap) going over the procedures of handling the .22 caliber weapon with a group of DeMolay youth who recently organized a rifle club and plan to enter statewide competition. In the foreground is the rack used to store the rifles.

"LOOK AT THE BULLSEYES," instructor Donald Partney exclaims, pointing with a pencil to the four hits in the black circle. All shooting had ceased as the DeMolay and Partney went to inspect the targets.

CHECKING SCORES of the evening's shooting are Lt. Paul Moore (seated), assistant rangemaster, and Charles Voss (right), instructor, as one of the DeMolay team members checks targets with a telescope. The boys are learning the procedures of rifle handling, shooting and scoring to prepare for contests in the near future.

**Truck-Auto Accident**  
A truck operated by Richard Paul Hasty Jr., 22, of East St. Louis backed into the parked auto of Mildred O'Neil, 41, of Rural Route One, on the Bellemore Village shopping center lot Tuesday afternoon. There was damage to the front of the auto, according to the police report.

## Alton Favored To Dethrone Flyers As Southwestern Loop Track Champs

Granite City high school track coach Jack Richardson plans to transport his entire club squad to the Southwestern Conference meet in East St. Louis tomorrow, but said this week that chances for outstanding team performances by the Warriors in either the junior or senior divisions are remote.

"This is not a year of strength for us," Richardson said. "Our mile relay team has run well in previous meets, but relay teams from several schools in the conference have run better. This area is one of the strongest in the state as far as track is concerned this season."

Alton's Redbirds, who have not lost a meet in this area this year and who finished second in the state meet, are heavy favorites to unseat defending champion East St. Louis. The Flyers are figured to provide the toughest challenge, with Edwardsville and Belleville expected to score well also. Granite City finished third last spring.

Individual performers who will bear watching are Alton's B. B. Gater, who won the 100 and 200-yard dash events at Champaign, Edwardsville's Tony Penelton in the broad jump and high jump, Willie White of Alton in the 400-yard dash, Bogie Redmon of Collinsville in the discus and Herschel Epps and Mike Yavorski, both of Alton, in the high and low hurdles.

Reidman, Gater, Penelton and Alton's 880-yard and mile relay teams could all set new conference marks if they equal their best previous performances of the season tomorrow.

Junior division preliminaries are scheduled to begin at 4:30 p. m. with the senior prelims and finals in both divisions following.

OH, YEAH? Outcome of an Alton division contest, one of five opening games played Monday night in the Granite City park district boys' baseball leagues, is subject of discussion between game's opposing pitchers, "Punky" Belshe of the Eagles (left) and John Bersky of Milton Shop (right). Supervising the friendly difference of opinion is Empire Mac McGovern.

Victor Hugo, Thomas Jefferson, Anatole France and H. G. Wells all lauded Napoleon. Jefferson said that Napoleon was "a cold-blooded, calculating, unprincipled usurper without a virtue; no statesman, knowing nothing of commerce, political economy or civil government, and supplying ignorance by bold presumption."

Switzerland officially uses four languages: German, French, Italian and Romansch. The latter is an Alpine dialect.

**Mayors To Get Unofficial  
Population Figures Soon**

Unofficial population figures for Granite, Madison and Venice, based on data released to the mayors of the three cities by the United States Census Bureau district office in East St. Louis, are expected to be available Friday or Saturday, Roland Jung, census bureau district director, said today.

Jung emphasized that the released figures will not constitute the final and official population for the Quad-City area. "We are still receiving census forms through the mails," he said, "but they have begun to taper off in the last few days."

The district director said Granite City is expected to show the greatest increase in population among the three local communities. "It may not be as large, however, as some persons expect," he commented.

"New additions and subdivisions have grown up in your area," he continued, "while at the same time the population in some of the older areas of Granite City will probably show a decrease."

Jung explained further that in the 10 years since the last census was taken, many persons who lived in the older areas of the city have moved into subdivisions, creating "a population shift, not a population increase."

The mortality rate in older sections of Granite City proves to be higher than in subdivisions, Jung continued, since the population in newer areas is generally younger.

The Census Bureau automatically furnishes unofficial population figures to the mayors of communities over 10,000 population. Mayors of smaller cities must request the information by letter, Jung concluded.

The Press-Record's census guessing contest winners will be announced on the basis of the final official population figures as released by the Census Bureau office in Washington, D. C., not on the preliminary population figures.

**Boy, 3, Cuts Roof  
Of Mouth With Toy**

A small boy, three-year-old Michael Watkins, suffered a cut to the roof of his mouth Monday afternoon when he was walking with a small plastic toy in his mouth and bumped into a post in the yard at his home. The boy, a son of Mr. and Mrs. Thomas Watkins, 2643 Edwards street, was given emergency treatment at St. Elizabeth Hospital.

Another youngster, six-year-old Deborah Fuchs, daughter of George Fuchs, 2124 Lindell blvd., was given emergency care for a cut to her left knee, suffered when she fell against a tent stake, and a 21-month-old infant, Louis Trgovich Jr., 3005 Sunbury avenue, was treated for a cut to his chin, suffered in a fall on a flight of steps.

A \$56 cash bond was forfeited Monday by Nelson Russ, 44, of 1529 Richmond avenue, who was taken into custody Sunday by Granite City police on a charge of disorderly conduct. He failed to appear for a hearing before Police Magistrate Gasparovic.

Louis E. Jobe, 47, of 944 Niedringhaus avenue, an employee of Holland Asphalt Co., was admitted to the hospital after collapsing while at work on a parking lot in the 1800 block of Delmar avenue. He was suffering from an intestinal virus and was admitted for observation after being taken to the hospital by ambulance.

More eloquent than any words is the silence of the 1960 Cadillac in motion. Eloquent, too, is the delighted look of the man who has just driven one for the first time. It says so unmistakably, "Never before, a car to compare with this!" It is a literal fact that you must concentrate to detect the sound of a 1960 Cadillac—except, of course, for the gentle whisper of the wind and the soft hum of the tires on the pavement. Your authorized Cadillac dealer invites you to try this unique driving experience.

**OBJECTIONS TO THE SLANT in the sidewalk (right) were raised during Monday night's council session as final payment for the \$7336 widening project was approved.** City Engineer Ad Kraemer said the bridge was widened on the other side and the railing to the right is the original. No change in the sidewalk is contemplated at present.

**2 Solons Object To 'Slanted Walk' On St. Clair Bridge**

Hazards of a sidewalk installed at an angle on the widened St. Clair avenue bridge were pointed out during Monday night's council session by Alderman Casner Skubiah, who said the sidewalk is not in line with the roadway and motorists must swerve to avoid driving over the concrete walkway.

Skubiah raised his objections as the final payment of \$2896 for the \$7336 project was submitted for approval. The payment was approved for General Contracting Co. when City Engineer Ad Kraemer pointed the work was done according to specifications, based on the original retaining wall to the south. The bridge over the Nameoki storm water drainage ditch was widened to the north.

Skubiah, who was joined by Alderman Samuel Shackelford continued to protest. Shackelford commented, "It would be safer if the sidewalk wasn't there. Automobiles are bound to run over the end."

Mayor Davis told council members the work had been carried out according to the engineer's plans, and there would

be no reason to hold up the payment. "If it is to be corrected," Davis said, "the city will have to do it at extra expense."

The project was bid at \$6224 by General Contracting Co. and was under the \$7500 to \$8000 estimate by the engineer. However, added expense was encountered when silt was removed at the bottom of the ditch and a concrete foundation was discovered. It had to be moved to get the extension culverts in place.

Only Skubiah and Shackelford voted against final payments to the contractor.

**County Asks ITR To Improve Crossing Here**

(Special from Springfield) Madison county has filed a complaint against the Illinois Terminal Railroad Co. and the state highway department as to what it claims are hazardous conditions at a railroad crossing of West Pontoon road near the U. S. Highway 67a intersection. It claims the crossing over the highway needs more protection.

The complaint, filed this week at the state capital in the name of H. A. Kluge, Madison county highway superintendent, says the county is ready to improve the highway with a 44-foot wide concrete pavement which will require more adequate protection.

West Pontoon road, presently an oiled road, carries 3400 vehicles a day. Notice of the complaint also was served on ITR at its office in St. Louis.

**Graduation To Be Conducted At St. Mark's On Sunday**

A class of 11 eighth grade students will be graduated from St. Mark's parochial school in Venice during the 8 a.m. Mass next Sunday, May 29, at St. Mark's Catholic Church.

Diplomas will be presented to the graduates, and two of the students will receive American Legion awards.

Following the services, ladies of the Parents and Friends Association will serve breakfast in the church basement to the graduates and their parents. Each eighth grader will receive a miniature graduation cap containing a Rosary at the breakfast.

The class roll follows: Robert Davinroy, John Levy, Richard McIntosh, Edward and Joseph Ponce, Robert Sherry, Paul Svezia, Mary Jane and Mary Margaret Caruso, Mary Catherine Conan and Nancy Scaturro.

**First St. Elizabeth Graduation On Sunday**

The first graduating class of St. Elizabeth parochial school will participate in commencement services at the 8 a.m. Mass on Sunday, May 29, at St. Elizabeth Catholic Church.

The services will include a Mass with hymns, the May devotion and presentation of diplomas to 46 graduates.

The group includes two sets of twins, James and Joan Blankenship and Richard and Jane Haack.

Others in the class are Richard Atkinson, Thomas Bickhaus, Edward Broyles, John Galinski, Ernest Graff, George Gregus, Thomas Holman, Ronald Holt, John Kelahan, James Krizan, Fred LaCroce, Steve Lelick, Herbert Loommann, Joseph Mangiaricci, Richard Mason, Patrick Mathews, Francis McBride, Joseph Nemeth, Martin Perella, Donald Reinhardt, Donald Treadwell.

**Extensive School Maintenance Work**

With 20 separate buildings currently being operated by the Granite City school system, maintenance and repair work is regarded as a sizable chore, and this spring has been no exception.

Work reported on the school maintenance program for March and April shows extensive work completed at Granite City.

Largest maintenance program was carried out at Granite City middle school, where shingles were constructed in the cafeteria kitchen and in art department cabinets; lockers were repaired at the auditorium roof, drain pipes and a condensate line; dirt was applied to back up archery targets; electrical receptacles were installed in the kitchen; repairs were made to a gymnasium, cafeteria fountain, cafeteria tray slide and corridor linoleum; entrance doors were adjusted; gymnasium storage room doors, parking zones, driving lanes and tennis court boundaries were painted; water meters and downspouts were cleaned; the surface of the playground was improved; plaques were hung in the gymnasium.

A partition, plaster wall, gas burner, motor, and pump cockpit were repaired at Coolidge junior high, with a water heater, safety valve and defective light fixture replaced, an office mail box expanded and a shut-off valve installed.

Central junior high work included replacing a circuit breaker, installing a defective map of the district and an air compressor, cleaning a set of boiler hardware with an incinerator stack on the roof. Concrete block walls in front of the new junior high replaced.

Kitchen equipment and two door locks were replaced, and a flagpole rope and hardware were replaced at Emerson school.

Projects included repairing circuit breakers and a roof leak and installing classroom bookshelf units at the Logan school.

The staff made a bookshelf unit, replaced a flagpole rope and repaired doors, windows, window guards, a roof leak and a radiator valve.

Other maintenance work included the following: Frohardt — re-set tile, repaired a cafeteria valve and tightened metal partitions. Nameoki — repaired a pump, piano equipment, hard water fountain, heater and refrigerator motor; installed chalkboard, tackboard, light fixtures, pipe insulation, radiators for valves, electric outlet and bookshelves; and re-wired a light fixture.

Webster — repaired oil burner controls and door hardware at Emerson school; Marshall — replaced the multi-purpose room ceiling, repaired a sump pump and boiler tubes and installed bolts on five doors; Stalings — painted numbers on doors, applied slag to parking area and placed top soil on the front yard; Macyville road — painted door numbers and replaced two oil burner belts; East 29th street — made and installed bulletin board for physical education, painted door numbers and repaired a drain; Mitchell — replaced a valve, broken drain, door latch and sash cords; adjusted oven burners and water heater; gas burner; repaired a door check, drinking fountains, sewer pipe and roof leaks; caulked windows; installed an electric outlet; moved playground jungle bars to a new location; and made two basketball goals, installing them at a basketball area.

Emerson — installed kitchen equipment and two door locks and replaced flagpole equipment. Netheringhaus repaired leak in drain, leak in steam line and water valves. Liberty building — re-fastened boards on doors and windows. Washington — re-built broken wall, cleaned drains, installed boiler control and storage room light, made an entrance door and repaired ceiling tile and a burner.

Stalings — installed office shades, cable on balcony folding stairs, radiator and door hooks; repaired a stoker motor, light switch and garbage disposal unit; made and installed a chalkboard and tackboard; replaced window guards in gym; affixed McKinley — replaced floor tile and pump switch; repaired a light fixture; re-set a drinking fountain; installed an electric outlet; and painted 13 classrooms, the gymnasium and corridors.

**ASC Planning Annual Election For June**

The county election board of the Agricultural Stabilization and Conservation program is making plans for the annual election of county and county committees to administer the program, it was announced Tuesday.

Committees elected will take office Aug. 1 and serve until election of the next year. This year community elections will be held by mail from June 24, July 5 instead of at local meetings, in order to enable a greater participation by voters during the busy farming season.

Members of the county election board, appointed by the state auditor, are Farm Adviser Truman W. Mey, chairman; John Keller, president of the Madison County Farm Bureau; Elmer F. Kline, county supervisor of the Farmers Home Administration; Paul Wilkins, master of Lindley Grange; and Anton Sajovec, county unit conservator of the Soil Conservation Service. Earl P. Reid, county ASC office manager, is secretary of the board.

Community election board members appointed at the meeting by the county board for the local townships follow: with the first-named being chairman: Chouteau — C. C. Losh, John Oberst, Melvin Highlander; and Nameoki-Venice — Ralph Bade, Alvin Willareit and Homer Bruns.

The county boards will meet at the Farm Bureau building at Edwardsville the evening of June 2 to prepare lists of nominees for the mail ballots. Farmers wishing to suggest nominees are invited to notify their community board members in advance.

In order to be eligible to vote in the community committee elections, a person must have an interest in a farm, be the community as owner, tenant or shareholder, must be participating in a farm and conservation program, or carrying out on his farm one of the eligible practices covered by that program, or be eligible for price support on one or more agricultural commodities he produces.

The chairman pointed out that this is the farmers' opportunity to participate in choosing the men who will administer the price support, crop allotment and other agricultural conservation and conservation reserve programs during the coming year.

**Hart-Gaebler Nuptials**

In an informal ceremony taking place Tuesday evening at First United Presbyterian Church, Mrs. Jessie Gaebler of Rural Route Four, Edwardsville, was married to Floyd Hart of Globe, Ariz., a former Granite City resident.

The ceremony was performed at 8 o'clock by Rev. David B. Maxton, and a reception followed at the home of the bride's son-in-law and daughter, Mr. and Mrs. Roger Gruetendel, 2039 Pontoon road.

Attendants at the wedding were Mrs. and Mrs. Sam Shone. The former Mrs. Gaebler wore a light blue silk sheath dress, trimmed with blue lace and pearls. The empire waist had a low round neck and the skirt was finished with side drapery. A blue hat and accessories completed the costume and the bride carried an orchid on a white purse.

Mrs. Shone was in orchid and pink nylon over taffeta with a hat and accessories to match and a corsage of white carnations.

The newlyweds will reside in Globe, Ariz., where Mr. Hart is employed by the Ford Motor Co. The bride, a former Granite City, was manager of the Salle Ann Shop until recently.

Plans for a joint installation with Eagles Aerie 1126 in June were made by the Auxiliary Tuesday evening at a meeting presided over by Mrs. Mary Brominski, the retiring president.

The group voted to contribute to the Memorial Foundation, an organization which the lodge supports. The money will be used for educational, medical and dental purposes for the 1378 children there. Other contributions were made to the Home on the Range, where homeless boys are cared for, and Father Flanagan's Boy's Town.

An invitation was received from the Jerseyville Auxiliary to an installation of officers June 5, and Mrs. Angie Beuhler and Mrs. Viola Carey reported on a party given by the Auxiliary for 17 patients at the Madison County Tuberculosis Sanatorium in Edwardsville.

Chairmen to serve at the June 11 installation were announced as follows: Miss Sylvia Roy, Mrs. Frances Steinman, Mrs. Ann Hordesky, Mrs. Beuhler, Mrs. Buehler, Mrs. Gladys Stobish, Mrs. Frances Georgeff, Mr. S. Steinman and Miss Roy.

**Hospital Auxiliary Installs Officers, Donates \$3800**

Officers for the year were installed Monday evening at a meeting of St. Elizabeth Hospital Auxiliary.

Mrs. Patricia Schmidt, director of nurses at the hospital, was in charge of the installation ceremony, and those taking office were Mrs. Elizabeth Kelly, president, re-elected; Mrs. Frances Gruber, first vice-president; Mrs. Elizabeth Gabriel, second vice-president; Mrs. Pearl Ryckman, recording secretary; Miss Helen Heller, corresponding secretary; Mrs. Marjorie Strauss, board members.

The meeting opened with silent prayer and two guests were enrolled as members. They were Mrs. Dorothy Partney and Mrs. Martha Seibold. There were 36

**BARLOWS VISIT HERE**  
Mr. and Mrs. R. W. Barlow of Manassas, Va., will leave Friday for their home after a week's visit with Mr. Barlow's father, L. L. Barlow, 2827 Palmer avenue, sister, Mrs. Lura Stein, 2709 Iowa street, and other relatives.

Mrs. Ella McDougal was elected to serve as trustee for one year, taking the place of Mrs. Amelia Angeloff, who is resigning due to ill health.

As the home, Mrs. Mattilda Olsen, played "Memories," Mrs. Brominski paid tribute to Mrs. Kathryn Clark, who served as membership chairman and Nursing Home chairman the past year and officers and chairmen were then escorted to the altar where gifts of appreciation were presented to them.

The incoming president, Mrs. Viola Carey, announced plans for a Father's Day dinner June 15.

Prizes were won by Mrs. Amish, Mrs. Hazel Hall and Mrs. Jamie Denton.

A dessert course was served from tables decorated with peonies and roses. A special table was reserved for the 16 new members enrolled by the Auxiliary during the past year and gifts of bud vases were at each place.

The hospitality committee was composed of Mrs. Clark, chairman; Mrs. Brominski, Mrs. Beuhler, Mrs. Gladys Stobish, Mrs. Frances Georgeff, Mr. S. Steinman and Miss Roy.

**other members present.**  
It was decided at the meeting to turn over \$3800 in savings funds to be used to finance a reorganization program for the older section of the hospital.

A new project, coffee pyramid, was discussed and plans were made for the first to be held in June with Mrs. Marie Kahle and Marie Zimmer as hostesses at the Kahle cottage on Long Lake. A rummage sale was also planned for Sept. 10 and Mrs. Seibold was named chairman. She will be assisted by Mrs. Partney, Mrs. Helen Bergfield and Mrs. Hampton.

The annual party of the Auxiliary will take place later in the summer.

Prizes were won by Mrs. Ryckman, Mrs. Kathie and Mrs. Laurine Theabau.

**Hostess For PEO**  
Mrs. Wesley Lomax, 3648 Terrace lane, was hostess to Chapter HT of the P.E.O. Sisterhood at the first meeting of the season Monday afternoon.

A dessert course was served to 21 members and the program for the afternoon was in charge of Mrs. Richard Kerch. The topic was "Let's Talk Census."

Mrs. Bernard Miller, president, conducted the business session and Mrs. W. F. Coolidge reported on programs and hostesses for the coming season.

The next meeting of the Chapter will be held in the early fall.

**Steelworkers Sponsoring Leadership Classes Here**

A 12-week Leadership Training Course is being sponsored by the local subdistrict office of the United Steelworkers of America through the cooperation of Southern Illinois University.

The classes are being held here each Tuesday evening at the YMCA from 7 to 10 o'clock, and a similar course is being held in Alton.

The aim of the class is to increase attendance at union meetings by improving the meetings and to involve inactive members by increasing the participation and effectiveness of committee activities.

Attending the local class are William B. Webb Jr. of Local 16; Ronald Thuester of Local 20; Ed Chastain, Joseph Cook, William Hale and Vasil Muiu.

E. R. Casselstevens, supervisor of the SIU industrial and technical program, is the instructor, and the classes are carried out with the use of a tape recorder, sound-motion pictures and discussion periods. The members use the information by conducting mock union meetings with local union reports.

Six of the films being viewed are those entitled "Talking Sense," prepared by the late Dr. Irving Lee of Northwestern University.

The students are members of local unions at Granite City, Alton and East St. Louis.

### Many Widows of Vets Eligible For Pension

Many widows and children of World War II and Korean veterans are unaware of their eligibility for death pension. Congress recently enacted Public Law 86-211, to become effective July 1, 1960, establishing a more liberal policy in granting death pension. It was pointed out today by Joseph D. Wetton, secretary of the local office of the Illinois Veterans Commission.

Widows and children of World War II and Korean veterans who failed to qualify for death pension under present legislation because the veteran did not have a service connected disability at time of death, may find themselves entitled to death pension as of July 1, 1960. Certain qualifications must be met including an income limitation of \$1800 for a widow without children and \$300 for a widow with minor children. Monthly payments may range from \$25 to \$60 with additional amounts for children.

Widows who have any questions or are in need of assistance concerning this new legislation are urged to contact the nearest office of the Illinois Veterans Commission.

The local IVC office in the city hall in Granite City, is open Monday through Friday between the hours of 8:30 a. m. and 5 p. m.

**MOBILE CHEST X-RAY UNIT** of the Madison County Tuberculosis Society that will visit the Quad-Cities area starting Friday from 10 a. m. to 1 p. m. and 2 to 5 p. m. at the Bellemore Village shopping center. Free chest x-rays will be available to all persons over 15 years of age.

The unit also will be at the shopping center on Saturday during the same hours, and will be at the Venice city hall on June 3 from 9 a. m. until noon and at the city hall in Granite City on June 3 from 2 to 6 p. m. and again on June 4 from 9 a. m. until noon and 1 to 5 p. m.

The visit to Madison will be made June 11 in the 500 block of Madison avenue. The hours will be from 9 a. m. until noon and 1 to 5 p. m. The free x-rays are made available through the annual sale of TB Christmas seals.

### Slight Bridge Traffic Drop Due To Repaving

Bridge traffic has dropped, but only slightly, since re-routing of traffic over Kerr and Fourth streets began last week. Manager Henry McMullen has reported to Venice city officials. Traffic moving eastward off the bridge has been required to turn right on Main street to Kerr, due to repaving work on part of Main street.

Two additional expenditures in the bridge remodeling program have been approved on the recommendation of Hardesty and Hanover, bridge consulting engineers. Both additions are to the contract of the Whitting-Turner Construction Co. of Baltimore, general contractor for work on the main section of the bridge.

The contractor will set up a temporary bridge lighting system, estimated to cost \$3700 for use when existing bridge light standards are removed during the remodeling, and will perform cleaning, prime-coating and painting of girders and expansion joints for \$1675.

The three latest bills paid from the bridge improvement fund have amounted to \$3022 for Illinois Terminal Railroad as half the cost of bridge crossing; \$113 to Illinois Terminal for 600 new steel bolts spiked used in installing bridge decking and \$190 to Herman Kalmann, brick contractor, for installing a brick masonry wall in the McKinley Bridge office building on Main street. The wall covered a room that will house computing equipment.

### Daughter Born To Rainwaters

Announcement has just been made of the birth of a daughter, their first child, to S4/C Larry L. Rainwater, and Mrs. Rainwater, May 21 at Scott Air Force Base Hospital. The infant weighed seven pounds, 12 ounces and she has been named Lea Ann.

Mrs. Rainwater is the former Judith Gaddie, a daughter of Mr. and Mrs. Dan Gaddie, 4049 Division street. The paternal grandparents are Mr. and Mrs. Jesse Rainwater, 4944 Lake drive, S4/C Rainwater is with the U. S. Army in Wildflecken, Germany, and during her husband's absence Mrs. Rainwater is residing with her parents.

### Fines Collected In GC

Fines assessed and collected during April by Police Magistrate Gasparovic totaled \$2366, according to a report presented to the city council Monday night. Of the total, \$1324 was for traffic violations and \$1042 for ordinance violations.

**25 YEARS AGO**  
The following items were taken from the files of the Granite City Press-Record

Two explosions wrecked a high-tension power line pole of the electric company, which serves this area, near Gillespie street a few hours after it was signed because they could not make a satisfactory living at \$80 a month. The men were sent to arbitrate the company's electrical workers' strike. Mayor M. E. Kirkpatrick went to the arbitration conference yesterday and was still in Springfield today. The blasts added Gillespie and Bend to the 41 Southern and Central Illinois communities with only partial power since the strike began April 3.

Living up to its name, the Benevolent and Protective Order of Elks Lodge 1063 has just completed defraying the expenses of its operations on crippled Granite Cityans out of funds raised by the Antler, official publication of the lodge.

**45 To Graduate Sunday From St. Mary's School**  
Forty-five eighth grade students will graduate from St. Mary's parochial school in Madison at commencement exercises Sunday, May 29.

The graduates will attend a 9:30 High Mass and participate in Communion at St. Mary's Catholic Church Sunday. The exercises will be held at 2:30 p.m. Sunday at the church.

Rev. Engelbert Blesek, pastor, will congratulate the students and award the diplomas. After presentation of American Legion awards by Venice-Madison Post 307, the pastor will pronounce benediction of the class.

The class roll follows:  
Agnes Bargiel, Geraldine Bawiec, Mary Bergrath, Dorothy and Harold Bessermer, Richard Bueck, James Bunk, Peter Carroll, Harry C. Michael, Bill of Religious Education. The afternoon program opens at 7:30 p.m. A devotional service will be conducted by Rev. Roy N. Kean, pastor of the entertaining congregation.

Delegates representing Sunday schools in sections of the county will meet at the Niedringhaus Memorial Methodist church in this city Sunday afternoon and evening, according to an announcement of officers of the Madison County Council of Religious Education. The afternoon program opens at 7:30 p.m. A devotional service will be conducted by Rev. Roy N. Kean, pastor of the entertaining congregation.

Births barely exceeded deaths in Granite City and Nameoki during the month of April, according to the city clerk. There were 33 births and 31 deaths. Granite City's population decreased. There were 28 births and 29 deaths.

A three-day carnival celebrating the annual homecoming of Tri-City American Legion Post 43 will be held at the Legion home beginning June 7.

The Men's Bible class of the First Presbyterian Church will present its Fourth Annual Mission show at 8 p.m. Saturday in the church with 20 members in the cast. W. F. Coolidge, middle music will be supported by Ross Parsons, Henry Reimers, Richard Morgan and Fred Alexander, end men.

**State Capitol News**  
Illinois' bays, lakes and rivers are dotted with small craft used by those who are finding more leisure — and money — to enjoy this vacation pastime.

The International Statistical Bureau reports that the average family, helped perhaps by more than one person working, has an income in excess of \$6000. This means more to spend and a higher standard of living. The "extra" is being spent on what once was an exclusive sport.

All craft operating on navigable waters in Illinois must be registered in accordance with new regulations adopted by the last General Assembly. This program conforms with federal regulations. Information may be obtained from the Illinois Department of Conservation, Springfield, or through your local marine supplier.

The Departmental Information Service offers a word of caution: When transporting your boat on Illinois highways, truck speeds must be observed. The maximum speed for car-trailer combinations weighing less than 8000 pounds is 55 mph. For combinations over 8000 pounds the limit is 50 mph. These speeds apply to all combinations regardless of the number of wheels on the trailer.

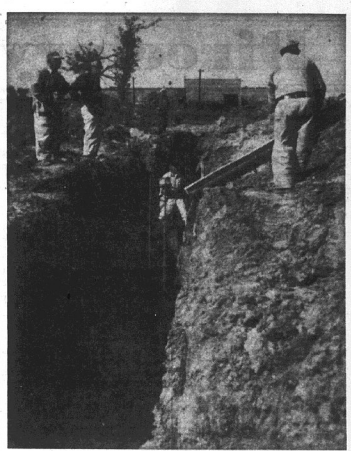

Ninety Illinois counties are now operating under the test in dairy and breeding cattle. Fifty counties are entirely free of the disease, according to Stillman J. Starnard, state director of agriculture.

The Department of Agriculture says there has been considerable upgrading of eggs since the Illinois egg law became effective last July.

The beneficiary is the home-maker, who receives better quality eggs for her table.

Audio-visual materials of the Illinois State Museum's school loan service were used by 267,186 children in the first three months of this year. This is 35,350 more than was used the educational films, slides, filmstrips and small exhibits loaned by the museum in October, November and December, 1959.

More than 685,000 children used the material last year, compared to 47,000 in 1952. Milton Thompson, assistant museum director, predicts 800,000 children will use the material this year.

## \$217,900 New Construction In GC This Month

New construction in Granite City this month totals \$217,900 in value with 66 permits issued during the first three weeks by City Building Inspector E. Bloomquist and City Clerk A. L. Stevens.

The latest permits include five new dwellings with a value of \$69,500.

Lay Wolfe Co. will erect a \$19,000 brick veneer with fireplace and garage on Colgate avenue, K. R. Stucke, a \$16,000 brick with six rooms, 1 1/2 bath, garage and fireplace on Erin avenue in Shamrock Gardens; Ed Walter Henderson, a \$13,500 brick with six rooms, bath and fireplace at 2019 Lindell Blvd.; Sisto Berachchi & Son, a \$13,000 frame with aluminum siding, six rooms, bath and carport; at 2501 Jordan avenue, and Vernon Sappington, an \$8,000 frame with five rooms and bath at 2140 Adams street.

Five commercial permits with a value of \$10,900 include a profit of the Moose Lodge for window repairs and general remodeling to cost \$4,000 on the ground floor at the lodge building, 49th and State streets; Layhauer Materials Co., a \$3,000 corrugated display building, 30,840 feet, at 19th street and railroad tracks; Shell Oil Co., \$2,000 general improvements to a service station at 20th street and Madison avenue; Morris Champ, a \$1,000 project to remodel the fronts of a tavern and barber shop at Niedringhaus avenue and State street with redwood and glass; and GFC Loan, 2015 Edison avenue, a \$900 advertising sign.

Walter and Clara Mayer were given permission to place a mobile house trailer with three rooms and bath at 2400 Dewey avenue. Home improvements permits were issued for 30 projects to cost a total of \$25,225.

## Raymond Dragich Assistant County Supt. Of Schools

Willbur R. L. Trimple, Madison county superintendent of schools, announced Monday afternoon that Raymond Dragich, principal of the Harris elementary school, Madison, has been named assistant county superintendent of schools, filling the vacancy created by the resignation of Russell Shaver of Madison.

Dragich, 35, is a native of Madison. He is a graduate of Madison high school, where he starred in athletics, participating in football, basketball, baseball and track. He entered the service in December, 1943 and served until Jan. 10, 1946, being a gunner on a B-24 assigned to the 15th Air Force, and seeing action in Italy.

After leaving the service, he attended the University of the State Teachers' College, where he received his bachelor of science degree in 1951 and the master of arts degree in school administration in 1952. He has been a school principal for five years at the junior high and senior high school level, and the past three years has been principal of the Harris school.

Dragich's training for his present position included such courses as workshop for the mentally retarded, elementary supervision, the first through eighth grade, public school finance, city school administration, supervision of the secondary school, principles and practices of guidance, philosophy of education, and psychology of learning.

He is married to the former Susan Marie of Macon, Mo., who has been a primary teacher for three years. Mr. and Mrs. Dragich have two children, Jerry, aged five, and James, one and a half.

Dragich will assume his duties as assistant county superintendent of schools as soon as the Madison board of education is able to release him from his present position. This will be about June 15, Trimple announced.

**MRS. RHOADS HOSTESS**  
Mrs. DeLoye Rhoads was hostess to the evening Canasta club in her home, 1539 Market street, Tuesday evening. Canasta filled the center, with Mrs. Rae Miller scoring high and Mrs. Jennine Bosworth low. Two prizes were awarded. After lunch, the hostess served a luncheon. Others present were Annie Laura Platt, Mrs. Billie Bosworth, Mrs. Mattie Bosworth, Mrs. Bernice Gushier, Mrs. Sally Bosworth.

Mr. and Mrs. Thomas Brunice, 1527 Sixth street, Madison, are announcing the arrival of a son, Marvin Edward, whose weight is six pounds, 15 ounces. He was born at the Lutheran Hospital in St. Louis May 20. Mrs. Brunice is the former Miss Delores Miller. The grandparents are Mr. and Mrs. Edward J. Miller and Mr. and Mrs. George Brunice. Mrs. Brunice and her son arrived here from the hospital this morning.

Mr. and Mrs. J. P. Futral of Paragould, Ark., spent the weekend at the home of a brother-in-law and sister Mr. and Mrs. Zolli Goinz, 1608 Sixth street.

**APPOINTED** This week as assistant county school superintendent, Raymond Dragich will leave the position of principal of the Harris grade school in Madison.

## Youngsters, 7, Injure Arm, Elbow In Falls

Two youngsters, both seven years old, injured in separate mishaps, were among those receiving emergency treatment at St. Elizabeth hospital on Tuesday.

Keith Cook, son of Robert Cook, 1708 Moro avenue, dislocated his right elbow in a fall and was transferred to St. Elizabeth Children's Hospital; while Roberta Pearce, daughter of Robert Pearce, 1710 Edwardsville road, fell off trapeze and fractured an arm.

Also treated Tuesday was 14-year-old Linda Pennell, 910 Third street, Venice, who suffered a painful insect bite; and Marilyn Connor, 56, of 2802 Narpelski road, a state highway department employee who sustained a hand injury while working on a tractor.

Gary Storey, 4, of 2701 Kirkpatrick Homes, was treated Monday for a cut to his left big toe, suffered when he stepped on glass; and Judy Vandergriff, 16, of 1809 Union street, injured her left ankle when she slipped and fell on the grass at school.

Mike Wallace Jr., 8, of 1539 East 20th street, crushed the

## Boys Hurl Rocks At School Bus

Police are searching for two or three boys who apparently vented the built-up anger of nine months of school on a school bus.

Eugene Peters, a driver for one of the Community Coach Co. school buses, reported to police Wednesday that as he was driving north on Madison avenue and making a left turn onto Wilson avenue, the two or three boys began throwing rocks at the back of the bus.

One of the rocks smashed the rear window and the boys disappeared. The vandalism was reported to police shortly after noon.
